

**Svetlana** asks: I am head of a company which is in the business of import and export of computers and their accessories. Since last two months, negotiations for a lucrative deal are on but this deal is not closing despite all my best efforts. I want to know when this deal will finally go through if it goes through and will it be financially good for my company. My birth details are - DOB is 30th June 1983, TOB is 16.43 Hrs and POB is Moscow, in Russia.

**Astrologer Ashutosh:** Ms Svetlana! You were born under a Libra ascendant and an Aquarius moon sign. Your horoscope has all yogas which promise great success in business. The present antardasha of Mercury in the mahadasha of Venus indicates an expansion of your business to other nations.

The deal for which the negotiations are on as of today will be finalised between 19th November 2010 to 30th November 2010. It will be financially very beneficial for you and your company. Also, one other business deal will be done with another business party in the first two weeks of December 2010. Next two months will give a strong boost to your business and career which will take your business to new heights.

The only problem about the next deal can be the unwillingness of the other partners or shareholders of your company to share your views about this expansion of business. But, a little confidence and headstrong attitude will clear all obstacles in the path of this deal. Your love life can indirectly create problems for your business. So, deal with sensitive matters very carefully.

Some remedies:

1. In December 2010 and January 2011 avoid going to any social parties or functions with your business partners. A respectful distance must be maintained with them and also with the delegates of the companies with whom you are having business negotiations.
2. Keep fasts on Saturdays for next seven months. Eat one full meal during this day and take milk and fruits at other meal times.
3. Wear a white sapphire in silver ring on 26th November 2010, Friday, at sunrise.
4. Keep a small piece of sandalwood in your purse when you go to your office.

Best wishes,

Ashutosh
