

Cancer - Karka - Moon Sign - 2012 - Jyotish Forecast.☾

For the people born under the Moon Sign Cancer or Karka this year 2012 will be an year with lot of surprises. Family troubles, professional challenges, frequent travels and romantic encounters will all happen together in a highly confusing way in 2012.

HEALTH: Health prospects for 2012 for Cancer or Karka moon sign born people:

Health will be good in 2012 for most Karka Rashi people except for those who suffer from or who are prone to suffer from cardiac problems. Such heart patients can feel their ailments worsening in the months of August and September 2012. For other Cancer moon sign people, the first half will be more difficult than the second half of 2012 and there will be much improvement in health by the end of the year.

JOB: Job prospects for 2012 for Cancer or Karka moon sign born people:

Job progress will be good and much stability with satisfactory financial gains will be there in first six months of 2012. Good job offers will come in April and Karka rashi people must make best use of them.

June and November are favorable for trying for a higher salary and a better work profile.

BUSINESS: Business prospects for 2012 for Cancer or Karka moon sign born people:

This is going to be a very favourable year for business. Many Cancer rashi businesspersons will set up new ventures in 2012. Even those who are not setting up new businesses will venture out to new shores and will add more diversity in their products and services.

Profit will be high and costs will go down in 2012. New partnership with more capable and trusting partners will be formed in 2012.

The months of April, May, September and December are good for making business decisions in

2012.

EDUCATION: Education prospects for 2012 for Cancer or Karka moon sign born people:

Students of commerce, banking and accounting will find the first six months of 2012 very productive. Their progress in studies and performance in examinations will be beyond expectations in 2012. The last four months of this year are highly beneficial for students of technical studies, engineering and medicine.

But, Karka rashi students are advised not to stray from their existing study courses and not to divert their attention towards other education options. They should not try managing more than one course at the same time because only one of them will be completed satisfactorily.

WEALTH: Wealth prospects for 2012 for Cancer or Karka moon sign born people:

2012 will be a truly prosperous year for Karka rashi people. Wealth will increase with increase in income. Investments and assets will give good returns. Last two years have been full of great expenditures but 2012 will have only meaningful investments.

Income will be steady and satisfactory. Karka rashi people will easily be able to earn what they expect to earn in 2012. Financial security will be felt throughout this year.

REAL ESTATE: Property related prospects for 2012 for Cancer or Karka moon sign born people:

March and April are highly favorable months for buying a new house. These two months along with the month of May are also good for changing residence. But, Karka rashi people should buy residential property in 2012 only if they wish to stay in it. Not a good year for investments in real estate.

Commercial real estate for business purposes can be acquired in February and September 2012.

VEHICLE: Prospects related to vehicles for 2012 for Cancer or Karka moon sign born people:

There are high chances of damages to existing vehicle through vehicular mishaps in 2012. Drive carefully. January, July and November are months when Karka rashi people should stay more alert when driving their vehicles.

They should avoid buying a new vehicle if they can. All months are good for buying a new vehicle except February, August and October 2012.

LOVE: Love and Romance prospects for 2012 for Cancer or Karka moon sign born people:

Love will be found very close to home in 2012. Stable and long term romantic relationship will make the heart full of happiness. But, stay cautious between April and July. Friends of opposite sex will increase in number and harmless flirting can convert in short but passionate affairs. These affairs can be damaging to your stable love relationship. So, avoid short flings and seek only the meaningful and dedicated love relationships in 2012.

MARRIAGE: Marriage prospects for 2012 for Cancer or Karka moon sign born people:

2012 is a good and auspicious year to get married for Karka Rashi people. The best time to get married is in November 2012. And, six months before that, in May and June 2012, is the time to get engaged or to make arrangements for the marriage ceremony.

FAMILY: Prospects related to family and relatives for 2012 for Cancer or Karka moon sign born people:

Relations with parents will be good throughout 2012. Mother's health may require some extra attention this year.

Relations with siblings will improve. In married life too things will become more meaningful with better communication between the couple bringing them closer to each other. For some Karka rashi people 2012 could be bad for the health of the spouse. Any existing health problem can worsen in 2012.

TRAVEL: Travel prospects for 2012 for Cancer or Karka moon sign born people:

Both domestic and foreign journeys will be there in 2012. Quite frequently, unexpected and sudden short term journeys will bring about change in plans this year. The best time to go on long distance journeys is in May, June, September and December 2012. Avoid travelling in August, October and November 2012.

REMEDIES: Jyotish remedies for 2012 for Cancer or Karka moon sign born people:

Wear a good quality Yellow Sapphire within first four months of 2012. Avoid wearing Black, Grey and Dark Blue colours. Wear more of Red, Yellow and White.

If health permits, keep fasts on Saturdays in 2012.
