The health of the Kanya rashi people will be under control this year, but, they will have to be more careful about serious ailments related to digestive system and high blood sugar from August to December 2015.

Kanya rashi people can fall prey to hypochondria this year and become unnecessarily anxious about their health. This may happen due to the mysterious occurrence and disappearance of some ailments like allergies, skin problems, joint pains, migraine, etc.

March, April and August are the months when more caution regarding health should be taken.

JOB: Job prospects for 2015 for Virgo or Kanya moon sign born people:

Kanya rashi employees should make the best use of the exalted position of Jupiter till July 2015 to apply for better jobs or to try to jump to higher levels in the existing jobs. Even for those who stay in their existing jobs and positions will have salary increments Before June 2015.

There will not be good opportunities in job from July onwards. So, Kanya rashi employees should stay put in their jobs and not try to leave or change jobs in a hurry.

The relations with seniors and colleagues at work will be smooth this year. But, the immediate

boss will try to pass on his share of responsibilities to the Kanya rashi employee and refusing him will not be a good option. The best way out is to not to outshine yourself in performance in job as better performance will mean more burden of work coming from above.

BUSINESS: Business prospects for 2015 for Virgo or Kanya moon sign born people:

For Kanya rashi entrepreneurs 2015 will be a fruitful and memorable year in terms of high business risk taking, lots of business travels, huge investments and expansion of business.

The first five months of 2015 will bring good profits and the success story of 2014's second half will continue in 2015's first half too. Business will grow due to a few beneficial travels in May and June 2015.

The second half will involve high investments in business, more workplaces and offices and hiring too. The travels will be less but business will be at its peak speed in September and October 2015. November may see a decline only to be compensated by gains in December 2015.

Local collaborations with able business houses may happen in June and a few business understandings with foreign entities may be inked in September 2015.

EDUCATION: Education prospects for 2015 for Virgo or Kanya moon sign born people:

Jupiter's powerful blessings are with Kanya rashi students in the first six months of 2015. They will study well and will outperform themselves in all examinations. But, from July onwards, ennui and lethargy will take over and they will become easy preys to distractions. Overconfidence and extravagance can cause setbacks in studies in the second half of 2015.

The most favorable months for important examinations or applying for admissions to good educational institutions are February, April, May and June. In the second half of 2015, September and October will also be favorable for these purposes if the Kanya rashi students stay focused on hard work and studies.

WEALTH: Wealth prospects for 2015 for Virgo or Kanya moon sign born people:

Increase in income and gains from past investments including sale of real estate will increase the savings in the first five months of 2015 for Kanya rashi people. But, the next seven months will increase the requirement for more money as the needs and ambitions both will grow.

Expenditure will rise in the second half of 2015 due to frequent travels, purchase of vehicle, more investment in real estate and infusion of more money in business. Besides high expenses there can be losses due to bad investments and a desire to raise the standard of living.

Kanya rashi people are advised to spend wisely in 2015 to avoid increasing their burden of debt and to stay free from financial worries.

REAL ESTATE: Property related prospects for 2015 for Virgo or Kanya moon sign born people:

Real estate sales will bring money in hand in the first five months of 2015. January and March 2015 are more favorable for profitable sale of real estate. Kanya rashi people should not wait for a better price than what they are being offered and should take the offered chances within the first five months of 2015.

They may also buy a lucrative property this year. The good time to buy property is in April, June and December 2015. Kanya rashi people must do proper homework before buying real estate in the last six months of 2015 as there are high chances of being stuck into bad deals. So, if they do not find suitable properties they should postpone the decision till September 2016.

2015 is not a good year for Virgo moon sign people for buying commercial real estate.

VEHICLE: Prospects related to vehicles for 2015 for Virgo or Kanya moon sign born people:

Personal vehicle can be bought in January, April and June. Avoid buying a personal vehicle from July to December 2015 as far as possible. If the requirement is urgent then a low cost or a used vehicle should be bought which can be sold off easily after a year or so.

Commercial vehicles can be purchased in May and June 2015.

January and April are risky months for Virgo moon sign people with regards to vehicular mishaps or theft related to vehicle. April will require more than usual caution while driving. Some similar precautions will be required in August too.

LOVE: Love and Romance prospects for 2015 for Virgo or Kanya moon sign born people:

The year 2015 will begin with the Kanya rashi people being more devoted in their love affairs. The level of devotion will be quite high and will be there till June 2015. Those who are not in any relationships will meet likeable people in January, March and April 2015. It is possible that an old acquaintance or friendship can convert into an intimate relationship in these months.

August will bring a big change into the attitude of Kanya rashi people towards love and devotion to love. They will become more adventurous and prone to lose control over slightest of temptations.
