

Virgo - Kanya - Moon Sign - 2016 - Jyotish Forecast.

The health, finances, family and legal troubles will increase till August 2016. Thereafter, things are much better and great relief will be felt by the Virgo moon sign people. August onwards, the real estate gains will be good, family life will be happier and work too will progress well. The chances of marriage for Kanya rashi singles are also high after August 2016.

HEALTH: Health prospects for 2016 for Virgo or Kanya moon sign born people:

The health issues which Kanya rashi are facing since last six months of 2015 will turn into mysterious problems from February 2016. Allergies, liver problems, high blood sugar, will keep troubling them till September 2016. The heart is also susceptible and can be affected during this period.

August onwards health will improve remarkably and things will be under control. Medicines will start being effective and even simplest of remedies will give good results. But, a new problem related to gain of body weight and obesity will start troubling the Kanya rashi people. They will have to exercise more and become physically more active to burn away that extra weight.

Some health issues like hypertension, skin problem, ailments related to eyes and ears and coughs and colds will keep bothering Virgo moon sign people all through the year 2016.

March, April and May are the months when more caution regarding health should be taken. Bleeding injuries to limbs and weakness from excessive bleeding are possible between February and September 2016. August is a month when serious and mysterious ailments will become troublesome.

JOB: Job prospects for 2016 for Virgo or Kanya moon sign born people:

Virgo moon sign employees have a tough time regarding job stability from February to June 2016. There will be incidents which can end the existing jobs in March, April and May 2016. Tempers will be high and the Kanya rashi employees can lose control causing damage to their own goodwill with their co-workers and bosses. Utmost calm and patience is required on their part to go through this difficult period.

New job offers will start coming in from July 2016 onwards. The Virgo moon sign employees must consider them and go for a change if they find any offer suitable enough. They will be rewarded well for their hard work in the new job and the reward may come their way sooner than expected. August can be difficult for a short time but September and October are really very favorable months for Kanya rashi employees. A promotion to a higher and more comfortable position is possible during these months.

Virgo moon sign employees must strictly avoid consuming alcohol or any other kinds of intoxicants with their co-workers, in office or at home, in 2016.

BUSINESS: Business prospects for 2016 for Virgo or Kanya moon sign born people:

There will be initial difficulties in business for Kanya rashi entrepreneurs in 2016 but after the first half of the year is over great and fast progress will be there in business. Kanya rashi entrepreneurs will be taking big risks and are in danger of becoming over confident in business this year. They must stay rooted to basics and ground realities from February to July 2016.

January to July the expenses and losses will remain high though a little less than the last half of 2015. There will be unforeseen legal problems and considerable amount of money may be spent on solving them. Avoid going on business trips which do not promise good returns. Kanya rashi entrepreneurs must not invest in business in big way before August 2016.

A change of business premises is possible in July or October 2016. Business will start showing signs of improvement from July onwards and by October it will be back on right track going on in full speed.

For partnerships with capable business houses September and October are favorable months. Do not get into any business partnership before September 2016.

EDUCATION: Education prospects for 2016 for Virgo or Kanya moon sign born people:

2016 will be a successful year for Virgo moon sign students of medicine, engineering, Information technology and surgery. But, for other students the first seven months of 2016 will be full of delays in completing the courses and other obstacles. The health problems of the Kanya rashi students will also be a major cause of the disruption of the normal course of studies from January to July 2016.

But, August onwards the planetary positions are coming in favor of Virgo moon sign students

and they will be able to focus more on their educational pursuits and to perform better than expected. The most favorable months for appearing for important examinations are September, October and December 2016.

Kanya rashi students may be tempted to involve themselves in student politics and other public affairs in their educational institutions. But, they are advised to stay away from such activities and focus more on studies.

WEALTH: Wealth prospects for 2016 for Virgo or Kanya moon sign born people:

Expenses will stay high and varied for most part of the year in 2016. It's only from September onwards that the expenses will come under control. Financial worries, taxation issues and other financial legal hassles will be troublesome till September 2016.

Kanya rashi people should avoid investments in shares and stocks before September 2016. But, they can freely invest in all kinds of investments including bullion in the last four months of 2016.

REAL ESTATE: Property related prospects for 2016 for Virgo or Kanya moon sign born people:

Property related worries will increase manifolds from February onwards. Bad real estate deals, payments stuck or delayed and unpaid installments of mortgage will make the first eight months very harassing for Virgo moon sign people. But, after July 2016 the property matters will get solved easily and Kanya rashi people will be able to acquire some good lucrative properties in the last five months of 2016.

The Kanya rashi people will also get opportunity to relocate their residences to better locations in November 2016. They should not change residences before August as the level of comfort in the new residences will not be good enough. Troubles with neighbours and local authorities can make the stay there highly uncomfortable. It's better to somehow manage with problems in the existing residences till August 2016 than to shift and face more problems in the new residences.

VEHICLE: Prospects related to vehicles for 2016 for Virgo or Kanya moon sign born people:

Virgo moon sign people should avoid buying new personal vehicles in the first seven months of 2016. Shortage of money, legal hassles, credit issues and other problems related to the purchase of vehicle will be quite bothersome during this period. The best time to buy a new personal vehicle is in September's last week, October and December 2016. But, commercial vehicles can be purchased in July, September and October 2016.

Kanya rashi people must not take part in risky adventure sports which involve usage of vehicles

from February to November 2016 as the chances of serious physical harm and damage to vehicle are extremely high during this period.

LOVE: Love and Romance prospects for 2016 for Virgo or Kanya moon sign born people:

A lot of energy, time and money will be wasted in pursuit of elusive love in the first half of 2016. Heart break, disappointment, frustration and light pockets will be the result of the futile efforts to get the attention of those they want to please or pacify. Misunderstandings and doubts will be numerous and not even an honest intention will be able to remove them before August 2016. But, some Kanya rashi people may get involved with a person from a distant land and from a different community or religion than their own during this period.

August will bring a positive and major change in this situation and the Kanya rashi people will become more practical, assertive and confident in the matters of love. They will be able to decide in a better what is meaningful and what should not be pursued. September to December 2016 is a good time to enjoy the bliss of a happy love life. There can be a new love in life in October 2016.

MARRIAGE: Marriage prospects for 2016 for Virgo or Kanya moon sign born people:

Kanya rashi singles are not advised to make marriage plans till August 2016 sets in. Rahu with Jupiter could spoil all their plans and somehow the actual ceremony could be delayed till August or October 2016. Anyway, there is no good and auspicious day for marriage for Virgo moon sign singles before the last week of September 2016. Thereafter, October, November and December too are really favorable and auspicious months for getting married.

For those who are married 2016 will bring a lot of stress and anxieties. The marital conflicts and dissatisfaction which had already taken root in the second half of 2015 will increase further in intensity from February to July in 2016. The problems in marriage will get more complex and difficult issues related to finances, spending and extra marital affairs will become more prominent.

Separation, legal problems or a divorce is possible for some Kanya rashi people. The health of the spouse could also require urgent attention during this period. Somehow, the Virgo moon sign people will not be able to enjoy marital bliss in the first seven months of 2016.

But, from August onwards the situation turns favorable and most of the reasons for mistrust and conflicts will be gone by the end of September 2016. Kanya rashi people can expect a return to normalcy in their marriages in September. The health of the spouse will also improve a lot around that time.

FAMILY: Prospects related to family and relatives for 2016 for Virgo or Kanya moon sign born people:

For the Virgo moon sign people, the parents' health, especially of the mother will take a turn for the worse in February. Her health's return to normal could take a few months time. March to July 2016 is a high risk period for mother's health. Father could undergo a surgery in May or June 2016.

There will be an increase in tensions with the siblings for Kanya rashi people. These tensions can turn into an all out war between March and July 2016. The children will get too demanding and their behaviour will turn too aggressive and uncompromising.

The peace returns in family affairs only by October 2016 and the rest of the year will be a time to enjoy quality time with family members and relatives.

TRAVEL: Travel prospects for 2016 for Virgo or Kanya moon sign born people:

There will be frequent but useless travels for Virgo moon sign people in the first eight months of 2016. They must avoid travelling as much as possible unless it is very necessary as they will end up losing money and mental peace by these journeys.

After August the travels will be useful, meaningful and beneficial in terms of financial gains too. The journeys could be for visits to holy places, for business and for pleasure. There will be more than one visit to places of religious or spiritual importance in the last four months of 2016.

Virgo moon sign people must avoid visits to shady areas during their journeys. They must select very carefully the places where they stay and the food they eat. They should also avoid driving vehicles on their long distances travels from February to September 2016.

REMEDIES: Jyotish remedies for 2016 for Virgo or Kanya moon sign born people:

Light Blue and Green are the most favorable colours for Kanya rashi people in 2016. They should avoid Red, Black, Grey and Orange colours.

February to September they should keep fasts on Tuesdays for better health and benefits in personal and professional life. They should donate blood on a Tuesday in March if their health permits it. They must avoid drinking liquor in places which are far away from their homes.

Virgo moon sign people should wear an Emerald on the little finger to get the best health and professional life's benefits in 2016.
