

### Libra - Tula - Moon Sign - 2017 - Jyotish Forecast.

Tula Rashi people will have to take extreme care of the health in 2017. Their financial situation will remain unstable and troublesome this year. Relations with family members will improve this year but health of the parents will cause concerns in the second half of 2017. Expenses will be unusually high this year. Academic pursuits will not be smooth for Libra Moon Sign students. Overall, 2017 is a difficult year for Tula Rashi people.

#### **HEALTH: Health prospects for 2017 for Libra or Tula moon sign born people:**

This year too, Libra Moon Sign people have to be more alert about their health. The health problems will diverse and much intensified in 2017. The main risk from health problems is in February, March, April, May, July and October 2017.

The health problems will be initially due to liver problems, high blood sugar and blood pressure problems till August 2017. Then, they will turn into cardiac problems from August. The Tula Rashi women will be highly susceptible to suffer from hormonal problems and gynaecological disorders in the first half of 2017. A few Libra Moon Sign people are also likely to be infected by sexually transmitted diseases this year.

Many health issues this year for Tula Rashi people will be caused or intensified by an indulgent lifestyle; consumption of alcohol and other intoxicants; and unhealthy diet. This means that by getting more disciplined about physical activity and by switching to a balanced diet most of the health problems can be avoided by Libra Moon Sign people in 2017.

### **JOB: Job prospects for 2017 for Libra or Tula moon sign born people:**

Tula Rashi employees have faced issues related to salary increments and bonuses in 2016. This matter in their jobs will still remain unsatisfactory till August 2017. In November 2017 they can expect a reasonable increase in their payouts and perks.

The Libra Moon Sign employees are very likely to spend more than usual on unnecessary things in 2017 thus putting pressure on their finances and increasing the burden of debt. This will heighten their desires to earn more money, a desire which will keep pestering the peace of mind in 2017.

The actual professional burdens and work responsibilities will be manageable till August 2017. But from that month onwards the burden of work will get heavier. The challenges in job will increase and despite hard work the job satisfaction will reduce as the expected rewards and recognitions will still be unavailable. The Libra Moon Sign employees will become too eager to change their jobs or to start a business to get more work satisfaction.

But, it is advisable for the Tula Rashi employees to stick to their existing jobs until they have much better and stable options in hand.

### **BUSINESS: Business prospects for 2017 for Libra or Tula moon sign born people:**

Most Libra Moon Sign entrepreneurs will face the businesses slowing down in 2017 as the costs of operations increase further but the income stays dissatisfactory. No reasonable profits will come in hand till October 2017 when the expenses and losses will begin to go down. The most harmful months for Tula Rashi businesspersons in terms of business losses are February, March, April and May 2017.

The burden of debt can also increase manifolds in the first half of 2017 if the Libra Moon Sign entrepreneurs are unable to control their expenses. All plans for investments and financial loans must be postponed till September 2017.

This does not mean that all Libra Moon Sign businesspersons will not do well this year. Those who are in industries related to pharmacy, health, insurance, finance, banking, advertising and new media will find this year unusually beneficial.

Partnerships or collaborations in business must not be done in February, May, August, October and November 2017. The best suitable times for such decisions and agreements are in January, June and December 2017

### **EDUCATION: Education prospects for 2017 for Libra or Tula moon sign born people:**

The Tula Rashi students will have to work harder and to focus more on their studies this year. The planets are not supportive till September 2017 and till that time some or the other difficulties

will keep coming in the paths of academic achievements.

Health problems, heartbreak, emotional issues and lack of proper financial support will be some of the major reasons which will cause obstacles in academic pursuits of Libra Moon Sign students.

Tula Rashi students should try to appear for important examinations in January, November or December 2017, if it is possible to do so.

This year 2017 will be strangely and exceptionally favorable for students of medicine, alternate therapies, accountancy, banking, mass communications, networking, public relations and human resources.

### **WEALTH: Wealth prospects for 2017 for Libra or Tula moon sign born people:**

Expenses will be unusually and illogically high in 2017 for the Libra Moon Sign people, more so in the first half of this year. Income will be good but the increased burden of debt will increase the need for more money.

Tula Rashi people should try not to invest big amounts of money before September 2017. All major decisions regarding money, loan and credit must be postponed till September.

### **REAL ESTATE: Property related prospects for 2017 for Libra or Tula moon sign born people:**

Libra Moon Sign people will not benefit much from the sale or purchase of property in 2017. If the need arises to buy a new residential property they should do so either in January 2017 or in June 2017. Commercial property should not at all be invested in by Tula Rashi people in 2017.

For shifting to a new home November is the most suitable month for Libra Moon Sign people.

### **VEHICLE: Prospects related to vehicles for 2017 for Libra or Tula moon sign born people:**

The best time to buy a new vehicle is in January, September and November 2017. Tula Rashi people will be tempted to buy expensive vehicles in March, April and May 2017 but they should desist from doing so.

February to May and then the month of October 2017 are highly risky times for Libra Moon Sign people in terms of vehicular mishaps and driving safety. They are advised not to drive very safely. From February to May 2017 there can be other unexpected and big expenses on vehicles owned by Tula Rashi people.

### **LOVE: Love and Romance prospects for 2017 for Libra or Tula moon sign born people:**

Love life will be very spicy, tricky, controversial and expensive for Libra Moon Sign people in 2017. Most of these above mentioned traits of the love lives of Tula Rashi people will be seen in the first half of 2017.

Tula Rashi people are more likely to stray out of their love relationships than any other moon sign in 2017. And, they will bear the maximum punishments and setbacks too from such actions this year.

Libra Moon Sign people are advised not to try to buy love and to focus instead on the search for true and dedicated love.

### **MARRIAGE: Marriage prospects for 2017 for Libra or Tula moon sign born people:**

Tula Rashi singles will try their best to get married in 2017. But, their efforts will not be without problems and in their attempts to get married they will end up getting more harassed and frustrated.

They are advised to make their plans for marriage fixing dates for the ceremonies in only in November and December 2017 and not anytime earlier to have smooth and enjoyable proceedings of the ceremonies and the functions.

The Libra Moon Sign people who are facing discords in their marriages will find the difficulties become more complex in April, May and October 2017. But, from November onwards much peace and happiness will prevail in their marriages.

### **FAMILY: Prospects related to family and relatives for 2017 for Libra or Tula moon sign born people:**

The family problems and disputes will lessen in 2017 but total relief from such hassles will be felt only by October 2017. Parents' health will become a big concern from Mid-August 2017. There will arise some disagreements with them which will sour the relations with them at the same time.

The siblings will be more interested in the family assets and their distribution this year than in showing more understanding and support towards the Libra Moon Sign people. The children will do better after August in their respective areas of work and education. Their health will also improve a lot in the second half of 2017.

### **TRAVEL: Travel prospects for 2017 for Libra or Tula moon sign born people:**

Tula Rashi people should avoid going on holidays and long distance journeys in February,

March, April, May and October 2017. If the travels are unavoidable during these months then the Libra Moon Sign people should ensure that they have taken adequate precautions to safeguard their health, money and belongings during their journeys.

Libra Moon Sign travelers should stay away from people of shady characters in February, May and October 2017. The best suitable months for going on holidays or long distance journeys are January, September, November and December 2017.

### **REMEDIES: Jyotish remedies for 2017 for Libra or Tula moon sign born people:**

Tula Rashi born people should wear Emeralds in June 2017. They can wear White Sapphires too in November 2017.

Libra Moon Sign people should wear more Green, Purple, White and Black colours in 2017 and less Gray and Orange. They should not at all wear Yellow colours till September 2017.

For good health, Tula Rashi people should keep fasts on Thursdays till September 2017.
