

Pisces - Meen - Moon Sign - 2017 - Jyotish Forecast.

2017 will be a mixed year for Pisces Moon Sign people. Health will be good for most part of the year. Finances will first improve and then worry a bit in the end of the year. Relationships will become clearer and meaningful. Career will progress well despite some hitches in the last months of 2017.

HEALTH: Health prospects for 2017 for Pisces or Meen moon sign born people:

The health of Meen Rashi people will be good and in control in the first eight months of 2017. But, weight gain and obesity can be a problem during this period. This period of good health can make them too lazy and over confident about health which can have a negative impact on health from September 2017 onwards.

After August, all the health issues which had bothered the Pisces Moon Sign people in 2015 and the first half of 2016 will become bothersome again. High blood sugar, obesity, liver related issues, kidney problems and cardiac ailments can become too persistent and not easy to cure.

Pisces moon sign people should stick to a regular fitness regime from the very beginning of 2017 and they must avoid all kinds of fatty and sweet foods, alcohol and other intoxicants in 2017. If they keep burning off calories then they will be able to prevent the above mentioned health issues.

JOB: Job prospects for 2017 for Pisces or Meen moon sign born people:

Job will be stable for Meen Rashi people in the first eight months of 2017 and there are chances of promotion too in February, June and July 2017. But, from September 2017 onwards things will become difficult in job. Relations with superiors will get strained. Sudden and negative incidents can cause situations to happen which can result in loss of job or a transfer to a less desirable workplace.

Pisces Moon Sign people must be careful in 2017 not to get too confident about their stability in their jobs and get into unnecessary troubles as a result. They must be more patient and down to earth. Hard work and humility will make this year 2017 a successful year for Meen Rashi people.

BUSINESS: Business prospects for 2017 for Pisces or Meen moon sign born people:

Meen Rashi entrepreneurs will have a favorable run, with good profits and lesser expenses, in the first three quarters of 2017. The last quarter can bring about some investments which are long overdue to improve the business. This last quarter will have expenses which will be high enough to cover the savings from lesser expenses in the earlier three quarters.

Pisces Moon Sign businesspersons may form a new business partnership or understanding with new partners in the first four months of 2017. It is more likely that such a partnership in business could be with a member of opposite sex.

EDUCATION: Education prospects for 2017 for Pisces or Meen moon sign born people:

Meen Rashi students will progress well in their studies and educational pursuits in the first seven months of 2017. But, from August 2017 onwards their focus on the ongoing studies will start shifting either due to sudden troubles in the studies or due to their interest in other streams of education.

Pisces Moon Sign students are advised to concentrate on their existing path of education only. They must not try to pursue more than one course of education at the same time. It is advisable to focus on one subject only at a time. If they try to take up more than one subject at the same time then they risk losing whatever they have gained in the past three years.

WEALTH: Wealth prospects for 2017 for Pisces or Meen moon sign born people:

Income and other monetary gains will be good and satisfactory in 2017 for Pisces Moon Sign people. Expenses will go up only in the last four months and most of these expenses will be either on health, travels or on investments.

Rahu changes signs in August making the income flow more infrequent but overall satisfactory. Sudden and big monetary gains are possible in October and November 2017 for Meen Rashi people.

Pisces Moon Sign people can invest in bullion in the first eight months of 2017. They can also invest in stocks and bonds in 2017 but the aim of such investment must be long term gains.

Between February and June they may also shift to a new residence. Another such a favorable period for entering a new house is in November and December 2017.

VEHICLE: Prospects related to vehicles for 2017 for Pisces or Meen moon sign born people:

2017 February to June is a highly favorable period for buying a new and expensive vehicle for Meen Rashi people. This period is good for buying both personal and commercial vehicles. Pisces Moon Sign people should select White or Yellow colours in their vehicles in 2017.

August and October are not good months for getting a new vehicle.

Meen Rashi people must drive more carefully in January, February, May, August and December 2017. Some unexpected and high expenses on vehicles may occur in January and October 2017.

LOVE: Love and Romance prospects for 2017 for Pisces or Meen moon sign born people:

2017 is a very favorable year in terms of love and romance for Meen Rashi people. January and February will bring a lot of passion, secret flings and high energy romance for Pisces Moon Sign people. March to June is an enjoyable and pleasant time in terms of love. New love in life will arrive in the first half of 2017 for those Pisces Moon Sign people who are seeking new love.

September onwards the dedication in love relationships will reduce causing conflicts which could result in break-ups. And, despite spending great amounts of money, time and energy the lost love will be difficult to gain back. So, Meen Rashi people are advised to be more grounded and devoted to their beloved in 2017.

MARRIAGE: Marriage prospects for 2017 for Pisces or Meen moon sign born people:

For the unmarried Meen Rashi people 2017 brings a lot of favorable and auspicious timings for marriage, especially in the months from February to May. Most Pisces Moon Sign eligible singles will either be engaged or married by June 2017.

For the married Pisces Moon Sign people, 2017 will be a peaceful and happy year. Much bonhomie will persist in the married life and high level of emotional dependency on each other

will develop in the relationship with the spouse. Meen Rashi people will not shy away from throwing away money and investing more time to please their spouses in 2017.

FAMILY: Prospects related to family and relatives for 2017 for Pisces or Meen moon sign born people:

Parents' health will be okay till September 2017. But, then some worries about the health of the father will come up. Relations with siblings and other paternal relatives will be good this year. The relations with maternal relatives may be little strained till August 2017.

Children will do well in 2017 but their health or behaviour or both may cause anxieties to the Meen Rashi people in the last five months of 2017. A lot of understanding and care will be required on their part to keep the bond with the children healthy and good.

TRAVEL: Travel prospects for 2017 for Pisces or Meen moon sign born people:

In the first eight months there will be frequent travels for both work and holidays. Meen Rashi people are more likely to go on holidays with family or beloved in 2017.

In the last four months of 2017 there will be a few unexpected and fruitless journeys. Pisces Moon Sign people should avoid travelling during these four months unless it is utmost necessary to do so. Loss of money and personal belongings and loss of health may happen during travels from September to December 2017.

REMEDIES: Jyotish remedies for 2017 for Pisces or Meen moon sign born people:

Pisces Moon Sign people should wear a Yellow Sapphire within the first six months of 2017 for health and career related benefits. They can wear a Moonstone too for added gains related to finances and personal life.

They must avoid using Grey, Black and Dark Blue in 2017. Instead, they should wear more of Yellow, White and Brown colours.
