HEALTH: Health prospects for 2018 for Libra or Tula moon sign born people:

Although Venus will be powerful most of the times in 2018 the transit of other planets like Rahu, Ketu and Mars still pose health risks for Tula Rashi people. This year, the major area of health which they should be careful about is Heart and the disorders related to it. This health risk will be at its peak from beginning of May to the end of October, in 2018. Libra Moon Sign people who are prone to heart ailments must be more watchful of their health during this period.

Other ailments which can trouble Tula Rashi people in 2018 are obesity, high cholesterol, respiratory problems, and maladies related to the sexual organs. In no case, Libra Moon Sign people should become more confident about the health this year. It is better to be careful than to be overconfident.

JOB: Job prospects for 2018 for Libra or Tula moon sign born people:

2018 begins with a lot of fear and apprehensions about job stability in the minds of Tula Rashi employees. Small incidents and mistakes will cause great harms this year. In their zeal to rise higher in job by performing better and by getting closer to the seniors at work, Libra Moon Sign employees could bite more than they can chew. This, in turn, can make things really complex for them in their jobs.

Almost all Libra Moon Sign employees will face stress, uncertainties and anxieties related to job in 2018. Some of them could even lose jobs. Such job losses are more likely to happen in March, June and August 2018.

The key to solve these issues and to pass 2018 unscathed is to have a low key affair at the workplace. Tula Rashi employees should not be over ambitious and must not try to work too hard. Instead, they should do only what they are expected to do. If their expectations from themselves and the seniors at work are kept to practical levels then they will have some unexpected gains regarding work in 2018.

Many Libra Moon Sign employees will seriously think about starting their own enterprises in 2018. But, such plans will not be properly implemented this year. Despite this, these ambitions and plans will be helpful for the future career growth of Tula Rashi people.

BUSINESS: Business prospects for 2018 for Libra or Tula moon sign born people:

2018 is a stressful year for Tula Rashi entrepreneurs. They will be persistently restless this year about improving and expanding their businesses. Sluggish business may force them to look for other options which may not be as lucrative as they look like in the beginning. Illusions, disappointments, confusions and impractical dreams will influence the professional growth of Libra Moon Sign people in 2018.

Despite these confusions Tula Rashi businesspersons will get some unexpected opportunities which, if availed, will take them to the next higher levels in their businesses. This will happen between April and September 2018. During this period one or more existing business partnerships or collaborations will end but new collaborations with more capable partners will be formed.

2018 motivates Libra Moon Sign entrepreneurs to change their business strategies and to look for other business options too. It is a year for changes which will bring long term effects on their enterprising skills and strategies. They should not start anything in any big way in 2018. Enterprises which are run casually or informally have better chances of success than the more mainstream and formal businesses.
