The income and wealth of Sagittarius Moon Sign people will increase in 2020 and the overall expenses will be comparatively low. They will feel healthier and they will do very well in their jobs and businesses. 2020 is a favorable year for buying property and for getting married too. The relations with parents and siblings will be good. Dhanu Rashi students will outperform themselves this year. Love life will be both spicy and confusing.

HEALTH: Health prospects for 2020 for Sagittarius or Dhanu moon sign born people:

Dhanu Rashi people will experience great improvement in health from February 2020. The general weakness and restlessness which they have been feeling since more than one year will begin to go away from the last week of January 2020. And, by the second week of February 2020 they will be feel energetic and almost hyperactive. They will feel healthy in general in the rest of the months of 2020.

Still, there are some areas of health which will demand more attention from those Sagittarius Moon Sign people who are susceptible to ailments related to them. These possible health issues are related to blood pressure, liver, pancreas, eyes, ears and skin. The blood pressure related problems can come up in February, March, April, July, October and November. The liver and pancreas can trouble them in April, May, June and December. In the last three months of 2020, skin, eyes and ears related disorders can occur.

For some Dhanu Rashi people there are high chances of surgery in February and March 2020. It will be mainly a corrective surgery or a cosmetic surgery. And, in February, March and April, the Sagittarius Moon Sign people can suffer from injuries resulting in some loss of blood. They should be more careful about their personal safety in these months.

JOB: Job prospects for 2020 for Sagittarius or Dhanu moon sign born people:

Dhanu Rashi employees will perform quite well in their jobs in 2020. They will be benefitted by a satisfactory increase in their salaries, most likely in April, May or June 2020. They should not try

to change jobs this year. It is better for them to continue with their existing employers in 2020. They have full chances of being promoted to higher positions in the same companies.

This year, the relations of Sagittarius Moon Sign employees with their seniors and co-workers could suffer a bit. This could happen due to the inefficient ways of their bosses which could cause some serious losses to the employer firm. In their zest to improve the results the Dhanu Rashi people could try to confront their seniors at work and this could backfire. This is very likely to happen in April and May 2020. But, this will not have any long term effect on the jobs and the performances of the Sagittarius Moon Sign employees

BUSINESS: Business prospects for 2020 for Sagittarius or Dhanu moon sign born people:

In 2020, Sagittarius Moon Sign entrepreneurs will work with full enthusiasm and confidence. The progress in their businesses will begin mainly from February 2020 onwards and it will continue in the rest of the months at a fast pace. They will earn well and will be able to curtail their business expenses considerably in 2020. This year, the Dhanu Rashi businesspersons who are in trades related to advertising, medicine, travel, tourism, finance and accounting will experience much faster growth in their businesses compared to the entrepreneurs in other industries.

Dhanu Rashi entrepreneurs have been struggling with their business partnerships since March 2019. The troubles related to such partnerships and joint ventures will continue till October 2020. Sagittarius Moon Sign businesspersons should not form new partnerships or collaborations before October 2020. Such partnerships, if formed before October 2020, will not last long and will give more headaches than benefits to the Dhanu Rashi businesspersons.

EDUCATION: Education prospects for 2020 for Sagittarius or Dhanu moon sign born people:

The Dhanu Rashi students who are studying subjects related to law, education, accounting, banking, computer sciences, mass communication, music and film making will find everything moving more smoothly in their studies than ever before, in 2020. The Sagittarius Moon Sign students of other subjects too will do very well in their studies and in all important examinations this year. The best months for Dhanu Rashi students for appearing for important examinations are February, March, April, August and September 2020.

But, for Dhanu Rashi students, in 2020, matters of heart and ups and downs in the relationships with their close friends can harm the smoothness of their studies. So, if they want to get the best results from their academic pursuits then they should become more practical regarding their emotions and should give more priority to studies than to love and friendship, in 2020.

WEALTH: Wealth prospects for 2020 for Sagittarius or Dhanu moon sign born people:

The income and wealth of Sagittarius Moon Sign people will increase substantially in 2020. They will earn from several different sources and they will be able to invest very well in lucrative investment options. In 2020, they will invest and gain most from stocks and bonds related to banking sector, financial companies, food products and fashion industry. They can invest safely in bullion, precious stones and high value collector's items too.

The expenses and losses of Dhanu Rashi people will be much in control in 2020 but in April, May, June and July some big expenses on luxurious items and extravagance can happen. But, this will make no major difference in their financial situation and the year 2020 as a whole will be financially very favorable for the Sagittarius Moon Sign people.

VEHICLE: Prospects related to vehicles for 2020 for Sagittarius or Dhanu moon sign born people:

Sagittarius Moon Sign people can buy new vehicles for personal use in February, March, May, June and December 2020 but they should avoid buying commercially usable vehicles till September 2020. This year, September and October 2020 are the best months for buying vehicles for commercial purposes. There can be unexpected and big expenses on repair, accessories or appearance of the vehicles of the Dhanu Rashi people in April, May, June and July 2020.

Sagittarius Moon Sign people must be more careful when driving their vehicles themselves in April, July, October and November 2020 as the chances of vehicular mishaps and unwanted legal problems related to vehicles are quite high during these months. In 2020, Dhanu Rashi people should not drive vehicles which are Gray, Black and Red in colour.

LOVE: Love and Romance prospects for 2020 for Sagittarius or Dhanu moon sign born people:

Doubts and misunderstandings will persist in the love lives of Dhanu Rashi people till October 2020. But, they will be able to find the right path through the chaos of emotions despite being highly confused in the beginning about their true feelings and choices. Sagittarius Moon Sign people should stay devoted to their existing romantic partners ignoring all doubts and distractions. April, May, June and July 2020 can be tricky months for them as it will be difficult for them to stay dedicated and devoted in their love relationships.

Those Sagittarius Moon Sign people who are singles and are seeking love have high chances of finding love, in February and March 2020. The Dhanu Rashi people will be too eager to spend money, time and resources to please their romantic partners and to keep them closer than ever before, in 2020. At times they will be too adjusting and understanding, and at other times they will act very finicky and demanding. Such contrasts in behaviour can create apprehensions and fear in the minds of their romantic partners and this can reduce trust and affection in the love relationship.

MARRIAGE: Marriage prospects for 2020 for Sagittarius or Dhanu moon sign born people:

2020 is a favorable year for Sagittarius Moon Sign people for tying the knot. The best and most auspicious months for getting married, for Dhanu Rashi people, are January, February, March and July 2020. It is advisable for them to avoid getting married in August, November and December 2020 as some or the other problem or inconvenience will spoil the enjoyment of the marriage related ceremonies and celebrations.

The Sagittarius Moon Sign people will be extremely confused about getting married and staying married in 2020. This confusion and the related stress will persist till the end of September 2020. But, it is advisable for the unmarried Dhanu Rashi people to get married and for the married Sagittarius Moon Sign people to stay married, in 2020. The beneficial transit of Jupiter in Dhanu rashi is very auspicious for them for getting married. All their confusions and anxieties will turn out to be baseless by the end of 2020.

FAMILY: Prospects related to family and relatives for 2020 for Sagittarius or Dhanu moon sign born people:

The attention of Sagittarius Moon Sign people on family affairs will increase from February 2020. This could be due to some financial or health related problem affecting one or more members of the family. Then, for a short period from April, May and June 2020, Dhanu Rashi people will be forced to spend more time, money and energy on the matters related to family and relatives.

The siblings of Sagittarius Moon Sign people will pressurize them to be more active in family affairs. The relations with the parents and the parents' health both will be good in 2020. The children of Dhanu Rashi people will excel in their studies and work. In July, October or November 2020, one of the children could spend more than usual time at home due to health or

financial reasons.

TRAVEL: Travel prospects for 2020 for Sagittarius or Dhanu moon sign born people:

In 2020, Dhanu Rashi people will travel mainly for family holidays, functions and for taking care of the family finances and assets. But, in April, May and June 2020 they can go on extravagant holidays just for pleasure. Sagittarius Moon Sign people will be quite inclined to spend a lot of money on such holidays. But, they should be cautious about unscrupulous people, both men and women, on such travels for pleasure. There are high chances of Dhanu Rashi people being scammed or conned by shady people during April, May, June and July 2020.

Those Sagittarius Moon Sign people who want to settle in foreign nations or in places far away from their existing residences could get such opportunities in March and April 2020. But, there are no more powerful yogas for migrating to foreign lands in other months of 2020.

REMEDIES: Jyotish remedies for 2020 for Sagittarius or Dhanu moon sign born people:

Sagittarius Moon Sign people are advised to continue fasting on Saturdays till the end of September 2020 for good health, better relations with loved ones and to avoid troubles related to business partnerships. They should also donate Gray and Black garments or other items to the needy on Saturdays.

The favorable colours for Dhanu Rashi people in 2020 are Yellow, Red, Pink, Brown and Orange. The negative colours for them this year are Gray, Black, Dark Blue and Green. They should avoid these harmful colours in all things of their personal use in 2020.

Due to the transit of Jupiter in its own sign in almost 8 months of 2020, Sagittarius Moon Sign people should wear Yellow Sapphires for health, wealth and general good luck. The best time for them for wearing Yellow Sapphires is in February, March and October 2020. They can also wear Rubies in April, August and September 2020.
