

Sagittarius - Dhanu - Moon Sign - 2021 - Jyotish Forecast.

The Sagittarius Moon Sign people will earn, spend, save and invest well in 2021. But, they should be more careful about health this year. More patience in job and business is required. Office politics, losses and legal hassles can harm their work. Dhanu Rashi students should stay away from bad company and should focus more on their ongoing studies. From April 2021 there are good yogas for marriage. The love life will be secretive, risky and thrilling. Family matters will keep them busy throughout the year.

HEALTH: Health prospects for 2021 for Sagittarius or Dhanu moon sign born people:

Dhanu Rashi people are advised to take extra care of health in 2021, more so in January, February, March, September, October and November 2021. Out of these months, in January and February 2021, the health problems of Sagittarius Moon Sign people can become more serious. In 2021, Dhanu Rashi people are more likely to be troubled by ailments related to eyes, mouth, ears, hair, brain, liver, blood sugar and cholesterol. Also, mysterious allergies which will occur and vanish in unexplained ways will also trouble them in 2021.

In March, April, June and July 2021, Sagittarius Moon Sign people will be highly vulnerable to accidents and serious injuries. In these months, ailments related to blood, loss of blood and weakness of muscles can occur. Dhanu Rashi people should be more alert about their personal safety in these four months of 2021.

JOB: Job prospects for 2021 for Sagittarius or Dhanu moon sign born people:

2021 is not a year to be ambitious and to change jobs in a hurry. Sagittarius Moon Sign employees should wait for good and stable job offers before taking the leap. January, February and March 2021 can bring in job offers which will initially look lucrative but will later on fizzle out. Good job offers will come in April and May 2021 and the best time to join new jobs is in September and October 2021.

Office politics will be an unavoidable hassle for Sagittarius Moon Sign employees in 2021

whichever job they join. Some of their co-workers will work against them and will try to involve Dhanu Rashi employees in tricky situations. So, Sagittarius Moon Sign employees should remain cautious and avoid all such people and situations which can create a bad image for them in the workplace. This is more likely to happen in March, April, June, July and November 2021.

BUSINESS: Business prospects for 2021 for Sagittarius or Dhanu moon sign born people:

2021 brings both setbacks and successes for Sagittarius Moon Sign entrepreneurs. In the first four months of 2021 there can be unexpected troubles related to banking, taxation, insurance, workers' compensations and business assets. There can be huge losses too due to workers' strikes, industrial accidents, theft or natural calamities. Such mishaps are more likely to happen in March and April 2021.

2021 is not a good year for creating new business partnerships or collaborations. Sagittarius Moon Sign entrepreneurs should wait for 2022 to forge new business alliances. But, from August to December 2021 is a favorable period for Dhanu Rashi businesspersons for expanding the existing businesses by opening branches in other cities or nations and by finding new markets for their goods and services.

In 2021, Sagittarius Moon Sign entrepreneurs involved in businesses related to banking, finance, travel, music, education, training and human resources will experience much better results than Dhanu Rashi the businesspersons from other industries.

EDUCATION: Education prospects for 2021 for Sagittarius or Dhanu moon sign born people:

In March, April, June and July 2021, Dhanu Rashi students should be prepared to face difficulties and obstacles in their studies. These problems in their academic pursuits could be due to family matters, bad health or lack of funds. Sagittarius Moon Sign students should stay away from people in whose company they could get distracted from their regular studies. For them, in 2021, it is better to have no company than to have bad company.

In 2021, favorable months for Dhanu Rashi students for appearing for important examinations and for applying for good study courses are January, February, August, September, October and November 2021. This year 2021 will be exceptionally good for Sagittarius Moon Sign students of accounting, finance, banking, software programming, music, film making and entertainment.

WEALTH: Wealth prospects for 2021 for Sagittarius or Dhanu moon sign born people:

Sagittarius Moon Sign people will be more into earning and saving money in 2021. They will try

to reduce their expenses but somehow the expenses will remain high this year. Dhanu Rashi people will invest in stocks, bullion and real estate in 2021. But, they should not invest in anything in January and February 2021. And, this year, they should resist the urge to invest in high risk investment options, mainly in May, June, July and December 2021. This year the Sagittarius Moon Sign people could spend more on their travels, family functions, health and on renovating or decorating their homes.

In 2021, Dhanu Rashi people are likely to gain from distribution of family money, assets or properties. They should ensure that such distribution does not happen in January and February 2021 as they may end up getting much less than what they deserve in these two months. Sagittarius Moon Sign people will get the best opportunities to earn money in May, June, July, August, September and October 2021.

REAL ESTATE: Property related prospects for 2021 for Sagittarius or Dhanu moon sign born people:

March to December 2021 is a favorable period for Sagittarius Moon Sign people for buying or selling new residential and commercial real estate. But, January and February 2021 are two months when they should not deal in properties. There are high chances of getting into a deal related to real estate in these months and the money could be blocked or there could be legal problems due to such deals.

For moving into new residences September, October and November 2021 are more favorable months than the other months of 2021. This year most Dhanu Rashi people will spend a lot of time and money to remodel or decorate their homes. In January, February, June and July the properties owned by Sagittarius Moon Sign people could require some urgent repairs, refitting, or renovation. January, February, March, April, June and July are the months when the chances of vehicular accidents, mishaps and damages to vehicles by other means are very high. Sagittarius Moon Sign people should drive very careful in these months and must keep their vehicles safe and well maintained. These months are also not good for buying new vehicles, for personal or commercial usage. In 2021 too, Dhanu Rashi people should avoid driving vehicles which are Black, Gray or Red in colour.

The best months for buying new vehicles for both personal and commercial use are September and October 2021. The Sagittarius Moon Sign people must not go for vehicles which are beyond their comfortable buying power. This year many Dhanu Rashi people will prefer vehicles which run on alternative fuel or electricity.

LOVE: Love and Romance prospects for 2021 for Sagittarius or Dhanu moon sign born people:

In 2021, secret love affairs will make the love life very adventurous, risky and thrilling for Dhanu Rashi people. Their love relationships will lack devotion and stability and they will try to seek love in even the weirdest and most unethical ways possible. This can destroy their existing love relationships, though this will bring more thrilling and cheap flings for them. This year, the Sagittarius Moon Sign people should choose whether they want destructive and risky short term secret flings or long term satisfactory and meaningful relationships.

In January, February, March, April and August 2021 the Sagittarius Moon Sign people are at a high risk of losing public image, getting in disrepute and losing moral support from their families, with regards to their love relationships. They should not fall for any temptations of easy flings and should not get involved with anyone who can directly or indirectly harm their reputation in family and society.

MARRIAGE: Marriage prospects for 2021 for Sagittarius or Dhanu moon sign born people:

Sagittarius Moon Sign singles should not plan any marriages in the first four months of 2021. There are no auspicious yogas for marriage for them in these months. No ceremonies and functions related to engagement or marriage should be organised in these first four months of 2021. Instead, the Dhanu Rashi singles should plan their marriage related ceremonies so that they are held in September, November or December 2021. Out of these months, November and December 2021 are the most favorable months for this purpose.

The married life can be disturbed due to unexplained and irrational reasons in 2021. The Situation can be very bad for the Sagittarius Moon Sign married people in January, February, March, May, June and July 2021. In the month of May 2021, high level of mistrust and doubts can cloud the minds of Dhanu Rashi people and they could be forced to take rash, hasty and irresponsible actions.

FAMILY: Prospects related to family and relatives for 2021 for Sagittarius or Dhanu moon sign born people:

In January, February, March, September, October and November 2021, family matters will demand more than usual time and attention of Sagittarius Moon Sign people. Family wealth, properties and assets could be divided and distributed among the family members during one of these months. Dhanu Rashi people are likely to gain satisfactorily by such family decisions.

The health of the parents of Sagittarius Moon Sign people can cause anxieties in January and February 2021. Other short term but serious problems in the family can also arise during these two months. The younger siblings of Sagittarius Moon Sign people could be the direct or indirect cause of a few such problems in the family. Dhanu Rashi people will have to pay more attention

to the behaviour, health and welfare of their siblings in 2021. In the first eight months of 2021, the children and other dependents of Sagittarius Moon Sign people could face some troubles related to health, work or studies. Such troubles will be at their highest degrees in March and April 2021.

TRAVEL: Travel prospects for 2021 for Sagittarius or Dhanu moon sign born people:

There will not be any important travels of Sagittarius Moon Sign people in the first three months of 2021 but from April 2021 their journeys will be more frequent. The Dhanu Rashi people will travel for work, pleasure, religious reasons and for family matters, in 2021. August, September and October 2021 are good for work related travels. May, September and December 2021 are months more favorable for going on family holidays.

While holidaying, in June and July 2021, Dhanu Rashi people should avoid taking part in activities which can put them in situations of high physical risk. The chances of injuries and accidents are unusually high for them in these two months.

In April, June, September and December 2021, many Sagittarius Moon Sign people who want to relocate abroad will get good opportunities to do so. But, such relocations may not be acceptable to all in their families. So, they should be prepared for some unwanted opposition from their close ones.

REMEDIES: Jyotish remedies for 2021 for Sagittarius or Dhanu moon sign born people:

The good colours for Sagittarius Moon Sign people in 2021 are Yellow, Golden, Red and Pink. They should strictly avoid Gray, Black, Dark Blue and violet.

Dhanu Rashi people should wear Yellow Sapphires as gemstones for Jupiter in 2021, but not before April 2021. They should not wear New Yellow Sapphires in September, October and November 2021 too. The other gemstone which is suitable for the Sagittarius Moon Sign people in 2021 is the Vermillion or Red Coral, the gemstone for Mars. The best months for wearing Vermillion or Red coral are January, February, May and November 2021.
