

Virgo - Kanya - Moon Sign - 2021 - Jyotish Forecast.

The health should be given main attention in 2021. Parents' health too will cause worries this year. Kanya Rashi people will progress well in job and business. They will earn well and their spendings too will be high. 2021 is not a favorable year for buying new vehicles. For marriage too it is not much favorable year. Marital conflicts can increase. Love life can be controversial and stressful. There will be several useful and adventurous travels in 2021.

HEALTH: Health prospects for 2021 for Virgo or Kanya moon sign born people:

The health issues of Virgo Moon Sign people will keep appearing and vanishing in 2021. They are susceptible to health issues like diabetes, liver ailments, arthritis, disorders of kidneys and muscular weakness. In January, February, March and August 2021 the health problems of Kanya Rashi people can be at their peak. Blood sugar, liver problems and muscular weakness related ailments are more likely to come up in April, June, August and December 2021.

In June and July 2021 the Virgo Moon Sign people will be vulnerable to injuries and accidents. Injuries to hands and legs are possible during these two months. So, more alertness is required by Kanya Rashi people in June and July 2021 and all such activities which can increase the chances of injuries should be avoided by them. In January and February 2021 some Virgo Moon Sign people can undergo surgeries too.

JOB: Job prospects for 2021 for Virgo or Kanya moon sign born people:

2021 will be a favorable year for Virgo Moon Sign employees in terms of career growth and increase in income. The increase in income will happen within the first four months of 2021. Between April and October 2021 many Kanya Rashi employees will get opportunities to switch to better jobs in other companies or to better positions in their existing companies. In 2021, the interactions and cooperation with their co-workers and seniors will improve a lot.

Those Virgo Moon Sign employees who work in multinational companies will get good opportunities to travel and work abroad in 2021. Other Kanya Rashi employees too will gain

from work which will involve handling orders or interacting with foreign nationals. Virgo Moon Sign employees are very likely to travel abroad for work in May, August or September 2021.

BUSINESS: Business prospects for 2021 for Virgo or Kanya moon sign born people:

Good progress in business and increase in profits will make 2021 a satisfactory year for Virgo Moon Sign entrepreneurs. They will earn well from all kinds of enterprises. The highest gains will be those Kanya Rashi businesspersons who trade in goods or services between distant cities or between different nations. The Kanya Rashi entrepreneurs who are in businesses related to metals, wood, fibre, machines, engineering goods, tools, computer hardware, job placements and film making will gain the most by the favorable transit of planets in 2021.

Virgo Moon Sign entrepreneurs should not ink any new joint ventures or partnerships in 2021. Even if they have no choice but to create new business alliances they should do that in March or October 2021. In April, May, June, July, August and December 2021 the business expenses of Kanya Rashi businesspersons will increase substantially. So, these are the months when they should put in more money and capital in their enterprises. But, in these months there are high chances of legal problems, hassles related to taxation or losses through labour unrest. So, they should be careful on that front too.

EDUCATION: Education prospects for 2021 for Virgo or Kanya moon sign born people:

In 2021, the Virgo Moon Sign students of law, education, philosophy, banking, accounting, zoology, robotics, veterinary sciences, metallurgy, fertility, genetics and archaeology will experience unprecedented success in their academic pursuits. Other Kanya Rashi students too will do very well in their studies in 2021. In January and February 2021 there can be some confusions and difficulties related to studies, examinations and the ongoing courses, but the Virgo Moon Sign students will soon tide over such problems.

Most Kanya Rashi students will be able to get admissions in their chosen courses and educational institutions this year. 2021 is also favorable for those Virgo Moon Sign students who are trying to get admissions in reputed foreign universities, though there will be some delays and initial confusions in getting the whole process of admissions completed.

From April to December 2021 the Virgo Moon Sign students should be more careful about their health because bad health can affect the smooth progress of their studies. Besides health issues the ups and downs in their romantic relationships can also distract them from their studies.

WEALTH: Wealth prospects for 2021 for Virgo or Kanya moon sign born people:

For Virgo Moon Sign people, 2021 will be marked by high income and high expenses. The income will increase in the first four months of 2021 and this rise will be maintained throughout

the year, but the expenses too will skyrocket from May 2021, making it difficult to save and invest money properly. Kanya Rashi people will earn well through regular work and through other sources too. Their main expenses in 2021 will be on improving business, family matters, health and legal hassles. Expenses on legal problems can be unusually high and unexpected, mainly in July, August and December 2021.

No big investments should be done by Virgo Moon Sign people in January and February 2021 as there are high chances of money being lost or blocked in bad investments during these two months. Kanya Rashi people can invest in stocks, bonds and bullion in 2021. They should not give money as loan to friends or family members. Also, they should try to keep their burden of debt at the lowest levels in 2021.

REAL ESTATE: Property related prospects for 2021 for Virgo or Kanya moon sign born people:

The first four months are not good for Virgo Moon Sign people for shifting to a new residence. For this purpose May, June, September and October are the best months in 2021. They should plan the renovations and decorations well and should not leave any repairs or maintenance work for later. All work should be done before entering the new houses.

For buying residential real estate January, February, March, September and October are favorable months for Virgo Moon Sign people. But, in January and February 2021 the Kanya Rashi people should take extra time to study and scrutinize all documents and details of the real estates they are going to buy. Any negligence or oversight in such deals can create possibilities of frauds or bad deals. For buying commercial real estate May, June, September and October are beneficial months for Virgo Moon Sign people in 2021.

VEHICLE: Prospects related to vehicles for 2021 for Virgo or Kanya moon sign born people:

Considering the unfavorable transits of Jupiter and Saturn in 2021 it is not advisable for Virgo Moon Sign people to buy new vehicles for personal use in 2021. Instead, they can buy used vehicles, if there is any urgency, and then drive them for a year or two before buying new and vehicles of latest models. For buying vehicles for personal use March, September and October 2021 are better months for Kanya Rashi people. Vehicles for commercial uses can be bought by Virgo Moon Sign people in May, June, July, September and October 2021.

In January, February, June and July 2021 the chances of damages to vehicles through accidents and other mishaps are quite high for Virgo Moon Sign people. So, it is advisable to avoid driving long distance during these four months of 2021. Also, the vehicles should be properly checked for any faults requiring urgent repairs before driving them, during these months. In 2021, Kanya Rashi people should avoid driving vehicles which have Red, Black, Gray and Orange shades of colours.

LOVE: Love and Romance prospects for 2021 for Virgo or Kanya moon sign born people:

In 2021, for Kanya Rashi people, the love life will be interesting, challenging, controversial, risky platonic and passionate at the same time. Many Virgo Moon Sign people will get into love relationships with individuals who are either much older or younger. Age will not matter much for Kanya Rashi people when it comes to finding love in 2021. Some Virgo Moon Sign people could get involved in unconventional and controversial relationships, more likely between April and September 2021.

Pursuit of love, rivalries and competitions in courtship can cause a lot of stress and loss of money and reputation for Kanya Rashi people in 2021. Unwillingly, they could get involved in vicious love triangles with people who are attention seekers and whose behaviour can be termed as irresponsible and unethical. Virgo Moon Sign people should not get attracted by cheap thrills and adventures and should focus on creating long term satisfactory relationships in 2021.

MARRIAGE: Marriage prospects for 2021 for Virgo or Kanya moon sign born people:

September, October and November 2021 are favorable months for getting married, for Virgo Moon Sign singles. But, no marriage related ceremonies or rituals should be performed in January, February, March and April 2021. These are inauspicious months for all marriage related rituals for Kanya Rashi people. Those Virgo Moon Sign singles who can wait for getting married for some more years should postpone all plans for marriage till or after May 2022 when Jupiter is powerful and in a favorable transit in Pisces.

In 2021, the marriage related troubles will increase greatly for those Virgo Moon Sign people who are going through troubled marriages. The marital conflicts and arguments can escalate suddenly in January and February 2021 and by July 2021 many such marriages will be on verge of separation or divorce. The possible reasons for such conflicts could be related to children, expenses and irresponsible behaviour. For other happily married Kanya Rashi people too 2021 can bring new worries about the health of their spouses.

FAMILY: Prospects related to family and relatives for 2021 for Virgo or Kanya moon sign born people:

In 2021, the health of the parents of Virgo Moon Sign people can cause worries several times. The parents will require more attention and care this year, but their health issues will be clearer and easier to manage in 2021 compared to 2019 and 2020. The difficult months with regards to parents; health are January, February, March, April, July and November 2021.

The relations of Kanya Rashi people with their siblings will improve a lot in 2021 and the siblings too will do well regarding their own health, family life and work. In the first five months of 2021 there can be some differences of opinions with members of extended family, in-laws and other relatives but all such differences will be resolved effortlessly in the second half of 2021. The

children and other dependents of Virgo Moon Sign people may need more care and attention regarding their health, studies and behaviour in January, February, August and November 2021.

TRAVEL: Travel prospects for 2021 for Virgo or Kanya moon sign born people:

Frequent and fruitful travels to interesting destinations will make 2021 a memorable year for Virgo Moon Sign people. But, there may be some last minute changes of plans with regards to their travels this year. So, they should be mentally prepared to change their plans as and when required and should try to keep their schedules of journeys somewhat flexible in 2021. Most Kanya Rashi people will gain either socially or financially from their travels in this year.

The best time for travels related to holidays and pleasure, for Kanya Rashi people, is in May, September, October and December 2021. For travels related to work, March, April, October and November 2021 are more suitable months in 2021. They should try to avoid going on important travels in January, February, June and August 2021 as unexpected difficulties and discomfort can happen during their travels in these months of 2021

REMEDIES: Jyotish remedies for 2021 for Virgo or Kanya moon sign born people:

The beneficial colours for Virgo Moon Sign people in 2021 are Green, Blue and Violet. The colours which are negative for them are Red, Yellow, Brown and Orange. Kanya Rashi people can wear Gray and Black colours in 2021. They should keep these suggestions in mind when choosing their clothes and when buying things of day to day use in 2021.

In 2021, it is advisable for Kanya Rashi people to keep fasts on Thursdays from April 2021 onwards, as a remedy to reduce the ill effects of harmful transit of Jupiter on the health. When fasting they can eat one full meal during the day and consume milk and fruits at other meal times.

In Gem therapy, the Virgo Moon Sign people are advised to wear Emeralds for Mercury for good health and success in job and business. The best months for Kanya Rashi people for wearing a gemstone for Mercury are May, June, July and September 2021. In September, October and November 2021 they can wear gemstones like White Sapphire and Fire Opal as gemstones for Venus too.
