

### Gemini - Mithun - Moon Sign - 2010 - Forecast.☾

2010 brings a welcome change and lots of positive developments for those born under Moon Sign or Janma Rashi Gemini (Mithun). The difficulties and confusions of 2009 will vanish in 2010.

Lots of travels and good improvements at work will take place. Relations with loved ones improve a lot. Love is around the corner.

**Health:** Gemini or Mithun Rashi people are very prone to gain body weight in 2010. Eat wisely and exercise regularly to keep obesity in check.

Problems related to eyes and digestive system will come up in first half of 2010. The crucial period is from 15th January to 13th February 2010. Food poisoning may occur. So, check what you eat and drink.

**Job:** In job sector, the Gemini (Mithun) Moon Sign people will find their relations with their bosses improving greatly. The strains and stress of job experienced in 2009 will vanish. Although your boss will keep you on your toes in first five months of 2010, you will find that you are being trusted more than your other co-workers.

Recognitions, promotion and incentives will come your way in September and October 2010. Things will move more smoothly than you expect. You will end up being an indispensable part of your company in 2010.

Better job offers will come in last two weeks of April 2010 and in first two weeks of November 2010.

**Business:** As Gemini or Mithun Rashi born people are highly business oriented and enterprising even a small boost of favorable planets gives them enough opportunities to make their mark in business. And, in 2010 they are getting many such opportunities. The first half of the year will require Gemini people to travel a lot to set up new business deals and to explore further business opportunities. The second half of the year brings the actual setting up of long term well planned business ventures.

All investments on business this year will pay off well in future. So, do not shy from going that extra mile for getting your work done.

Gemini Rashi people will develop new partnerships and business collaborations in last five months of 2010. The months of September and October 2010 are very favorable for new business tie ups.

**Wealth:** For Gemini Rashi people, instead of a steady income, money will come in short but powerful bursts in 2010. The expenses will more of investments in business and travels. But, 2010 will give Gemini or Mithun Moon Sign born people good financial gains overall.

Bank balance will increase in second half of 2010. In first half, most of the monetary gains will go to pay the past loans and dues.

**Education:** Foreign education and distant education will give you benefits in 2010. Those Gemini Rashi students who are trying to get into professional courses will do better if they opt for courses which take them away from home.

**Real Estate:** Go for real estate investments in Last four months of 2010. November 2010 is the ideal month for buying a new house or a new office space.

**Vehicle:** Time to buy a new vehicle and to dispose of the old one in October 2010. This acquisition of a better and more luxurious vehicle will give you unexpected respect and recognition at your work place too besides elevating you to better place in your social circles too.

**Love:** Love speaks a foreign language for Gemini or Mithun moon sign people this year. In March-April 2010, there are strong chances of getting into a romantic relationship with a person from far away land. The differences of language, culture and ideologies will excitingly tantalizing in first half of 2010.

In last four months of 2010 Cupid's arrows will start flying into your heart at your workplace. A person in a senior position to you at work will start showing interest in you. If you feel comfortable, and as things will be comfortable around that time, let your hair down and enjoy the highly potentially fruitful relationship.

In 2010 Gemini Rashi people will give preference to wisdom over looks when getting into romantic relationships.

**Marriage:** For Gemini (Mithun) Rashi born 2010 is a favorable year for getting engaged. But, postpone your marriage plans for 2011 as staying away due to professional requirements can happen in 2010.

**Family:** Parents, especially mother, will need more health care in 2010. Your spouse will have some persistent and irritating health issues like allergies or skin problems.

Relations with siblings will improve in 2010. many family reunions will be there.

Your father will gain social respect and recognition in 2010 and you too will indirectly gain much from his achievements.

Gemini or Mithun moon sign people are having strong influence of the illusive planet Rahu on marriage and related matters. Rahu will keep the relations with spouse and loved ones at extreme emotional levels. The roller coaster ride of deep affection and trust on one extreme and of frustrations and mistrust on the other will test your spirit of devotion and commitment this year.

Those awaiting birth of a child will get good news in 2010. The first half of this year is very favorable for it.

**Travels:** Travels related to work in 2010. Many and frequent travels, more in first half of 2010, will be there for Gemini or Mithun Rashi people. Professional requirements will take you to far away places. In first half, you will also travel to Religious places with your family.

**Remedies:** Donate Red, Black and Grey colored garments, sweets, black pulses, black sesame seeds, etc to the needy in 2010. Such donations if done on Saturdays will be more beneficial.
