

Sagittarius - Dhanu - Moon Sign - 2016 - Jyotish Forecast.□

2016 provides some great relief on professional front for Sagittarius moon sign people. Financial situation improves a little this year. Family affairs, children, education and health will cause concerns this year. Legal hassles and frequent travels will make 2016 much different from the previous several years for Dhanu rashi people.

HEALTH: Health prospects for 2016 for Sagittarius or Dhanu moon sign born people:

In 2016, Sagittarius moon sign people will have health issues like allergies, skin problems, hypertension and problems of the eyes and the ears. They are highly susceptible to disorders of nervous system too mainly related to the brain and upper spine. The problematic period this year regarding health is from February to October 2016. Out of these nine months, April, May, August and September are the most difficult months for the health of the Dhanu rashi people.

They are advised to have good dietary habits and a healthy lifestyle in 2016. They should take less spicy and oily foods. They must increase activities like yoga or must do other kinds of physical exercises too. They should donate blood in March 2016 if their health allows them to do so.

JOB: Job prospects for 2016 for Sagittarius or Dhanu moon sign born people:

The stress in job will be there in January 2016 too but thereafter the situations gets more relaxed and predictable in job. This will be caused by a positive change in job scenario in January and February 2016. This change could be a change in the job profile, replacement of the previous boss with a new one, or a shift to another branch of the same company. The Dhanu rashi employees will feel more satisfied with their jobs and performances this year.

There will be opportunities to change the job by taking up a new job in another city or another nation in 2016. Such a movement is likely to happen in March, August or November 2016. August onwards is a favorable time regarding job progress. Promotion, increment, better job

profile, better performance at work, more discipline at work and better image in office will happen.

BUSINESS: Business prospects for 2016 for Sagittarius or Dhanu moon sign born people:

Sagittarius moon sign entrepreneurs will try their best to improve the business and to expand it in 2016. The attempts to do so will start giving results from February onwards as the worries and unpredictability reduce and the work starts giving desired results. The best performance and highest enthusiasm to work by the Dhanu rashi entrepreneurs will be seen between August and December 2016

On the negative side, the business costs will increase a lot in 2016 and the chances of losses due to worker unrest, theft, burglary, fire or natural calamities are quite high. Such high risk of losses is mainly from February to October 2016. If the Dhanu rashi entrepreneurs are able to take proper safety measures then they will be well able to curb the losses and to generate desirable profits.

Some short term legal problems could also come up between March and July 2016. The Dhanu rashi entrepreneurs could also relocate the business to new premises in the second half of 2016. They will also gain well from import-export business or other businesses which allows them to earn or deal in foreign currency.

EDUCATION: Education prospects for 2016 for Sagittarius or Dhanu moon sign born people:

Sagittarius moon sign students will face difficulties in education and studies going on in their own cities or countries but will find 2016 highly favorable for taking admissions in foreign universities and for studying foreign subjects. This year is favorable for students of accounting, taxation, banking, music, ophthalmology and otorhinolaryngology (ENT).

Health issues may cause delays in completing the ongoing courses and studies in the first half of 2016. But, from August onwards the Dhanu rashi students will put all their efforts in performing well in their studies. The best time to appear for important examinations is in August, September and December 2016.

WEALTH: Wealth prospects for 2016 for Sagittarius or Dhanu moon sign born people:

In 2016, the expenses will shoot up all of a sudden in mid February for Dhanu rashi people and will remain high till the end of September 2016. Most of these expenses will be on solving family troubles, on health, on litigation and on travels. Besides these, Sagittarius moon sign people could spend a lot of money on purchase of high end electronic products in April, July or September 2016.

Not much accumulation of wealth in form of savings or investments will happen this year. Dhanu rashi people must not invest in stocks and shares or in any speculative business in 2016. Income will increase from August 2016 but the overall spending will remain high thus making it impossible to save well.

Dhanu rashi people must not invest in bullion, especially in Gold, before September 2016. But, they can safely do so for long term purposes in October and December 2016.

REAL ESTATE: Property related prospects for 2016 for Sagittarius or Dhanu moon sign born people:

Dhanu rashi people will suddenly find the property issues getting more complex and difficult to solve after January 2016. This mysteriously irritating situation will exist till September 2016 but rest of the year thereafter is very favorable for real estate related matters and deals. September to December is good period for buying both commercial and residential property.

VEHICLE: Prospects related to vehicles for 2016 for Sagittarius or Dhanu moon sign born people:

As Ketu moves away from the fourth house in the end of January the Dhanu rashi people will become eager to buy a new vehicle. But, they are advised to not to hurry in buying a vehicle and to wait till September to do so. The best time to buy a vehicle is from the last week of September to the end of October and then in December 2016.

In the first half of 2016 they could be unexpected problems related to vehicle. Those who are trying to import or export a foreign vehicle will find strange difficulties in doing so. They should wait till August 2016 if they want to avoid these difficulties.

LOVE: Love and Romance prospects for 2016 for Sagittarius or Dhanu moon sign born people:

In 2016 the Dhanu rashi people will experience high surges of libido and they will desire more passionate romance and thrills than platonic encounters. This may lead them to be less devoted to their relationships and romantic partners. This will increase conflicts with existing romantic partners. February to October 2016 is a difficult time with regards to such ups and downs in love life.

For those who are singles new love in life will arrive in October 2016.

MARRIAGE: Marriage prospects for 2016 for Sagittarius or Dhanu moon sign born people:

Dhanu rashi married people will experience comparatively blissful married life most of the times in 2016. Yet, once in a while conflicts may arise due to matters related to finances, investments, family and children between March and July 2016.

For the Sagittarius moon sign singles, this year brings good chances of finding the soul mate and for getting married. The best months for marriage are April, September and December 2016. Dhanu rashi people must avoid spending too much on marriage celebrations and must choose a safe and comfortable destination for honeymoon in 2016.

Dhanu rashi people are also likely to stray out of marriage and to indulge in secret extra marital affairs in 2016. They must deliberately stay more devoted as such flings will cause long term harms to their marriages.

FAMILY: Prospects related to family and relatives for 2016 for Sagittarius or Dhanu moon sign born people:

For the Sagittarius moon sign people, the worries about parents' health continue till July 2016. A few anxious moments will take place related mother's health greatly increasing concern about her. At the same time the dissatisfaction will be high regarding parents' behaviour, opinions and response towards the concern shown towards them. But, these problems and worries will vanish as August 2016 sets in and harmony and trust will return in the relationship with parents' along with satisfactory improvement in the parents' health.

There are high chances of increased conflicts and disputes with siblings and other relatives in 2016. One of the siblings could end up in legal problems or could be hospitalized, thus needing more attention and help. Children's health and behaviour will be troublesome from March to September 2016. One of the children is likely to go to another city or nation for education or work.

TRAVEL: Travel prospects for 2016 for Sagittarius or Dhanu moon sign born people:

Sagittarius moon sign people will travel more frequently in 2016 than what they have done in the previous nine years. Most of their travels will be related to work but a few journeys will be for pleasure and religious purposes too. They are advised to stay cautious about their money and credit cards when travelling. They should also be careful about the food they eat on their travels.

Those who are trying to relocate to other nations will find the first half of 2016 a little disappointing as their efforts may get delayed or unexpected results. It is advisable that they must be ready for the last minute problems and they must keep their documentations and other formalities completed and updated.

The best months for travel are

REMEDIES: Jyotish remedies for 2016 for Sagittarius or Dhanu moon sign born people:

Dhanu rashi people should wear Yellow Sapphire in August or October 2016. They must avoid Black and Grey in all months of 2016 and should avoid wearing Red colour from February to September 2016. They should wear more of Yellow, Orange and Pink in 2016.

Sagittarius moon sign people should keep fasts on Saturdays if health allows it. They should donate leather footwear to the needy on Saturdays.
