

Leo - Simha - Moon Sign - 2017 - Jyotish Forecast.

Health concerns will still bother Simha Rashi people although the health improves a lot in 2017. Business will expand well. Finances will improve. Love life will be thrilling. Married life will be more or less happy and satisfactory. A lot of travels are possible this year. Family relations will improve. Leo Moon Sign people will buy new houses and vehicles in 2017.

HEALTH: Health prospects for 2017 for Leo or Simha moon sign born people:

Mysterious health issues will keep plaguing Simha Rashi people till July 2017. These health problems will vanish as mysteriously as they occur. Headaches, spinal problems, arthritis, liver troubles and high blood sugar are some main health problems which can bother Leo Moon Sign people in 2017.

From September 2017 health will improve along with general confidence and enthusiasm. Simha Rashi people will be more inclined to improve their physical fitness in 2017 than ever before. Body weight will get more balanced and the body stamina too will improve.

The months of 2017 when Leo Moon Sign people should be more aware and alert about their health issues are January, February, April, June and July 2017.

JOB: Job prospects for 2017 for Leo or Simha moon sign born people:

Leo Moon Sign employees will suddenly start seeking greener pastures in their professional lives in the first five months of 2017. But, these desires for change will be more motivated by greed than by ambition. Those Simha Rashi employees who change jobs in a hurry may find themselves stranded without a job between February and June 2017. Those who are more patient and relaxed will experience great but unexpected benefits in their jobs during the same period.

Those Leo Moon Sign people who have been waiting to travel abroad for work will get a chance in March and April 2017. Job situation will become more stable from July 2017. Those who want to change their jobs can do so in July and September 2017.

BUSINESS: Business prospects for 2017 for Leo or Simha moon sign born people:

Financial situation is more stable for Leo Moon Sign entrepreneurs by the time 2017 begins and the situation improves further in this new year. Expenses will further diminish and profits will increase till September-end when the business becomes satisfactorily profitable.

Collaboration offers from business entities which are more capable than the Simha Rashi businessmen will come in February, March and June 2017. Leo Moon Sign entrepreneurs should take such offers as such partnerships will be very beneficial for them in long run. Their businesses will grow and expand well through such collaborations.

But, in their zeal to grow fast in business Simha Rashi businesspersons should not resort to unethical tactics although many such opportunities and ideas will present themselves in 2017, mainly in January, February, May and October 2017.

August and October 2017 are not favorable months for Simha Rashi entrepreneurs for taking important business decisions.

EDUCATION: Education prospects for 2017 for Leo or Simha moon sign born people:

Simha Rashi students of accountancy, banking, languages, cuisine, law and education will find the situations getting more favorable for them in 2017. The only hindrances in their studies can be either due to a lack of funds or due to ill health. So, they must take care of these two areas of life from the very beginning of 2017.

Most Leo Moon Sign students who are planning to take up jobs after finishing their studies this year will be gainfully employed with least efforts in May, July and November 2017.

WEALTH: Wealth prospects for 2017 for Leo or Simha moon sign born people:

Income will be good in 2017 and it will improve further in the last four months of this year. Leo Moon Sign people will be able to save well and to spend well on useful and important things of life. They will also make some sound, lucrative and long term investments in 2017.

Simha Rashi people can invest in bonds and bullion in 2017 but they should not invest in the stock markets this year. Also, they should desist from giving monetary loans to their family members and relatives as such a money given away will never return.

REAL ESTATE: Property related prospects for 2017 for Leo or Simha moon sign born people:

Simha Rashi people will have a few good opportunities to acquire lucrative residential properties in March, April, May, June and September 2017. These are favorable months too for leasing out

the properties owned by them. Some Simha Rashi people will be shifting homes to new and better houses in September or December 2017.

No deals for commercial properties, for buying or leasing them, should be made in February, March, April, May and August 2017. For commercial properties related matters January, July, September and December are very favorable months.

VEHICLE: Prospects related to vehicles for 2017 for Leo or Simha moon sign born people:

February and March are not at all favorable months for buying new vehicles. Simha Rashi people should instead buy vehicles either in April, July, September or December 2017. Leo Moon Sign people can buy used vehicles too in 2017 as even the used vehicles will prove to be as good as new for them.

There may be some unexpected and big expenditures on the existing vehicles of Leo Moon Sign people in the first half of 2017 either on repairs or due to a desire to upgrade the accessories of the vehicles. Simha Rashi people should drive their vehicles more cautiously in the first half of this year.

For buying commercial vehicles, Simha Rashi people should wait till July 2017. The next favorable time to buy a commercial vehicle is in November 2017.

LOVE: Love and Romance prospects for 2017 for Leo or Simha moon sign born people:

Secret affairs and short term flings will make the love lives of Simha Rashi people quite thrilling and interesting in 2017. Passion will rule high and devotion will be quite low in their love affairs this year. This will be more prominent in the first five months of 2017 than in the later months of this year.

A few Leo Moon Sign people may become romantically interested in members of the family of their existing beloveds. Such interests can cause a lot of confusions and pain in their love lives. So, patience and dedication in the existing relationships should be practiced to prevent such unwanted situations.

MARRIAGE: Marriage prospects for 2017 for Leo or Simha moon sign born people:

There are good yogas for getting engaged for Simha Rashi singles in March, April and May 2017 but the suitable and favorable time for marriage is only in November and December 2017. Most Leo Moon Sign singles will either get engaged in March and April 2017 or will fix their marriage dates in these two months.

The married Leo Moon Sign people will experience great improvement in their relationships with

their in-laws in 2017. This will have a positive effect on their married lives. A lot of conflicts and discord in their marriages which had arisen in the last two years will be solved in 2017.

There may be some extra marital flings for the married Simha Rashi people in the first half of 2017. To avoid them, Leo Moon Sign people should plan family holidays or a second honeymoon during this period so that the time spent together makes the bond of love stronger.

FAMILY: Prospects related to family and relatives for 2017 for Leo or Simha moon sign born people:

While the bonds of love with their parents will get stronger with people of Leo Moon Sign in 2017 the health concerns for their fathers will increase in the first half of 2017. Some family issues related to wealth and property will be solved this year.

The siblings of Simha Rashi people will be more supportive and affectionate this year but one of the younger siblings may get into unexpected troubles with law or may fall seriously ill in February and March 2017. The relations with the in-laws will be much satisfactory this year.

The children will begin interfering and expressing their opinions in the family matters. They will do well in their studies and work and they will have generally good health in 2017.

TRAVEL: Travel prospects for 2017 for Leo or Simha moon sign born people:

There will be several unplanned but pleasant journeys for Leo Moon Sign people in the first five months of 2017. Most of such journeys will be for work. Simha Rashi people will also go on family holidays in April, May or December 2017.

The safety and security of the money and other belongings must be taken care of when Leo Moon Sign people travel this year especially in January, February, August and September 2017. They must also not involve themselves with unreliable and unlawful people during their travels in order to be safe and healthy.

REMEDIES: Jyotish remedies for 2017 for Leo or Simha moon sign born people:

Simha Rashi people should wear more of Red, Pink, Brown, Yellow, Orange and Pale colours in 2017. They should avoid wearing and using Gray, Green and Purple this year.

They should keep fasts on Saturdays in 2017 too but only till the end of August. They should donate liquor or warm clothes to stay healthy this year.

Leo Moon Sign people should wear Yellow Sapphire, Coral and Ruby to get the best from the positive planetary configurations in 2017 and to protect themselves from the harmful planets at the same time.
