

Scorpio - Vrishchik - Moon Sign - 2017 - Jyotish Forecast.

This year 2017 is a fruitful year for Scorpio Moon Sign people in terms of financial growth, family life, love relationships and marriage. But, the professional troubles will still be there till August 2017. Income will be good but the last four months will bring a sudden increase in expenses. There will be a lot of travels in 2017. Good progress in studies too for Vrishchik Rashi students.

HEALTH: Health prospects for 2017 for Scorpio or Vrishchik moon sign born people:

Both minor and major health issues will keep troubling Vrishchik Rashi people in 2017. Heart, liver, blood sugar, eyes, ears, mouth, throat and nervous system will be affected this year. Heart related problems can intensify between February and June 2017. Liver and blood sugar related disorders will be more troublesome from September to December 2017.

Scorpio Moon Sign people are advised to do more physical exercises in 2017 than what they have been doing. Lethargy and laid back lifestyle will harm their health more than any external factors.

JOB: Job prospects for 2017 for Scorpio or Vrishchik moon sign born people:

2017's first seven months will prove to be as unpredictable and stressful for Scorpio Moon Sign employees as the year 2016 was. But, great relief and stability in job comes in from August 2017. The situation becomes easier and the rewards for the hard work done start pouring in.

Whatever increment in salary in 2017 the Vrishchik Rashi employees are expecting will happen before July. The salary is more likely to be increased in March, April or May 2017. Other perks and comforts which are due will also be granted to Scorpio Moon Sign people in these three months. But, the unpredictability in job will not reduce despite these benefits before August 2017.

In no way, Vrishchik Rashi employees should try too hard to please their bosses in 2017. They should simply work by the rule book and do only what they are being paid to do, nothing more

and nothing less.

Scorpio Moon Sign employees will surprise their co-workers by their creative ideas and diplomatic ways of solving problems this year. Many Vrishchik Rashi workers will either travel abroad for short term for work or they will settle down in long term jobs in other nations in the last four months of this year.

BUSINESS: Business prospects for 2017 for Scorpio or Vrishchik moon sign born people:

Vrishchik Rashi businesspersons have already bitten more than they can chew in 2016. By the time 2017 sets in they have become wiser and are now handling only what they can without losing focus of their goals.

This will result in reduced expenses and increase in profits in the first eight months of 2017. Their business will progress well though most of their plans for business expansion will remain unfulfilled. February to May 2017 is a favorable period for them during which they can introduce new products and services in their businesses. This is also a good period for forming strong partnerships or collaborations with other business entities.

From September to December 2017 costs will rise again and some big investments are likely to be done in the businesses by Scorpio Moon Sign entrepreneurs. October is not a good month for signing business agreements. But, September, November and December 2017 are good for that purpose. In November 2017 agreements with business houses from other nations can be signed by the Vrishchik Rashi businesspersons.

The Scorpio Moon Sign importers and exporters of services and goods will find their trades improving a lot from August 2017.

EDUCATION: Education prospects for 2017 for Scorpio or Vrishchik moon sign born people:

The first eight months of 2017 are highly favorable for Vrishchik Rashi students as almost all their efforts and hard work in their academics will pay back well during this period. Those students who are studying law, music, fine arts, hotel management, designing and film making will experience unusually beneficial time during the first five months of 2017.

Matters of heart can interfere with the smooth progress of studies in the first five months of this year. Scorpio Moon Sign students are advised to not to lose focus of their academic pursuits when they fall romantically for fellow students.

The going will get tougher for them with regards to their studies from September 2017. Lack of funds, ill health and other problems can create obstacles in their regular academic efforts. But, those students who are studying foreign subjects and those who are eager to join foreign

universities will find the last four months of 2017 very favorable.

WEALTH: Wealth prospects for 2017 for Scorpio or Vrishchik moon sign born people:

Scorpio Moon Sign people will earn well in 2017, mainly from February to May, due to a highly beneficial Samsaptak yoga between Jupiter and Venus during this period. Besides this yoga, Jupiter will be in transit in the 11th house of income for most part of 2017 ensuring a steady income for Vrishchik Rashi people.

The investments and savings will also go up this year. Scorpio Moon Sign people will invest more in options of investments like bank savings, bonds, stocks, but less in real estate this year. In the last four months of 2017 the luck is not with them with regards to investments and they must not put in big amounts of money in anything during this period. Their other day to day expenses will also become unusually high during these four months.

REAL ESTATE: Property related prospects for 2017 for Scorpio or Vrishchik moon sign born people:

2017 is not a fortunate year for Scorpio Moon Sign people to invest in real estate, both residential and commercial. They should buy properties only if they intend to use them personally. They should instead attempt to sell the properties which are not of any use to them.

For buying a house or apartment for residential purpose January, February and September are very favorable. For buying a commercial space, September and December 2017 are more suitable for Vrishchik Rashi people.

VEHICLE: Prospects related to vehicles for 2017 for Scorpio or Vrishchik moon sign born people:

Vrishchik Rashi people will not be much keen to buy new vehicles in 2017 and even if the need arises to do so, they are more likely to buy vehicles which just fit their actual requirements and nothing expensive or fancy. Despite this, they will have nice and luxurious vehicles in their possession in 2017.

The best and most suitable months astrologically for buying new personal vehicles are February, April, May, July and November 2017. Scorpio Moon Sign people must not buy new commercial vehicles before September 2017. They should instead acquire used commercial vehicles instead if their requirements do not allow them to wait till September.

Vrishchik Rashi people have extremely negative yogas for vehicular mishaps and other harms and losses related to vehicles in January, February, June and August 2017. More alertness about driving safety and the security of their vehicles is advised for these four months.

LOVE: Love and Romance prospects for 2017 for Scorpio or Vrishchik moon sign born people:

Vrishchik Rashi people will be surprised by the kind of attention they will get in matters of love and romance in 2017. This will be more so in the first five months of this year. Scorpio Moon Sign people themselves will feel their desires for more passion and thrill in life increasing as the New Year sets in.

January and February will mark some volatile but passionate encounters with their partners in love. March onwards passion will take a backseat and fun, romance and pure love will drive their love life towards long term commitment.

Almost all Scorpio Moon Sign people who are students too will enter in love relationships with one of their fellow students in 2017. Age gap will not matter to them in their intimate relationships. Overall, this is a satisfactory year for the love life of Vrishchik Rashi people.

MARRIAGE: Marriage prospects for 2017 for Scorpio or Vrishchik moon sign born people:

2017 is an auspicious and lucky year for Vrishchik Rashi singles for getting into long term committed relationships and for getting married. The most favorable time for getting married is in February, March, April, May and July 2017. Such auspicious planetary configurations which support their marriages in 2017 will not be formed again for next six years.

The young Vrishchik Rashi people who have newly joined their professions after finishing their studies are more likely to get married in the first half of this year than in the second half.

For the Scorpio Moon Sign people who are going through painful marriages this year brings temporary relief from the fights and arguments. But, this relief will last only till August 2017 as the situation will escalate to a higher level of conflicts forcing the couple to take legal recourse for separation in the last four months of 2017.

FAMILY: Prospects related to family and relatives for 2017 for Scorpio or Vrishchik moon sign born people:

Scorpio Moon Sign people will see improvement in relations with their parents but these relations will not return back to satisfactory levels before September 2017. Parents' health and their behaviour will remain a concern in 2017 too.

Siblings will become more eager to develop good relations with Vrishchik Rashi people. After August, one of the siblings may require attention to the health issues or a help with other problems of the life. Some family assets, money and properties may become topics of arguments from February 2017.

The Scorpio Moon Sign people will have very affectionate relations with their children in 2017. Their children will do very well in their own areas of education and work. One of the grown up kids' may get married or engaged in February or April 2017. One of the children will move away to another city for the purpose of education or for work in October or November 2017. A child may be born this year in the family of Vrishchik Rashi people.

TRAVEL: Travel prospects for 2017 for Scorpio or Vrishchik moon sign born people:

The travels of Vrishchik Rashi people will be limited, useful ones and very infrequent in the first seven months of 2017. But, as August 2017 sets in their journeys, mainly long distance ones, will become more frequent. Many Scorpio Moon Sign people will travel abroad for both work and holidays in the last five months of 2017.

In these five months they will be very keen to visit places of religious or spiritual importance too during their journeys besides the regular sightseeing tours.

REMEDIES: Jyotish remedies for 2017 for Scorpio or Vrishchik moon sign born people:

Scorpio Moon Sign people should strictly avoid wearing Yellow in their clothes in the last four months of 2017. But, they can safely wear Yellow in the first eight months. They should avoid Gray, Black and Dark Blue in all months of 2017. Instead they should wear more of Red, Pink, White, Pale and Brown.

The Vrishchik Rashi people are advised to keep fasts on Saturdays in 2017 too for removing obstacles in the areas of profession and health.

Scorpio Moon Sign people should wear Yellow Sapphire before August 2017. They should also wear a Moonstone and a Sindoori coral this year.
