

Scorpio - Vrishchik - Moon Sign - 2018 - Jyotish Forecast.

Vrishchik Rashi people will generally have good health in 2018. Businesses will progress well with new collaborations. Those in jobs will experience good growth in career. There may be unexpected setbacks in studies for Scorpio Moon Sign students. Expenses will remain high in 2018. Travels will be many, frequent but useful. Relations with parents and family will improve a lot this year.

HEALTH: Health prospects for 2018 for Scorpio or Vrishchik moon sign born people:

For most Vrishchik Rashi people health will not be a concern in 2018. They will experience good health and none of the ailments which had troubled them in last three years will bother them this year. Their physical energy and confidence will be high in 2018 and this will help them staying in good shape throughout the year.

But, in some cases, there may be short term health issues. In March and April 2018, maladies concerning brain, eyes, ears, mouth and throat can trouble them. Some may even experience heart and blood pressure related problems. From May to October, skin ailments may surface for some. Others may experience heart issues in November 2018.

High sugar and liver ailments will remain a persistent threat till October for those who have a genetic disposition towards them.

Injuries to the limbs and even a small to treat them are also possible this year.

JOB: Job prospects for 2018 for Scorpio or Vrishchik moon sign born people:

There will be no major change in the salaries of Vrishchik Rashi employees before October 2018. But, there will be frequent travels, new challenges, more recognition, and, promotions to better profiles this year. Such developments will happen in February, March, June, August or September 2018.

But, the last three months of 2018 are extremely good for Vrishchik Rashi employees for both

progress in job and for increments in salary. The year 2018 is especially good for those Scorpio Moon Sign workers who are in fields of banking, travels, defense, security, investigation and sports. They will have some big and rather unexpected opportunities this year.

The uncertainties and difficulties of last two years will be non-existent in 2018. For those Scorpio Moon Sign employees who want to work abroad should try for the same from the very beginning of this year. They have high chances of succeeding in such efforts in 2018.

BUSINESS: Business prospects for 2018 for Scorpio or Vrishchik moon sign born people:

The ups and downs in business in the last two years have taught Vrishchik Rashi entrepreneurs to be wise and patient. Still, they will have to invest more in their businesses to expand them and to make them more productive. Most of such investments will be done between January and October 2018. These investments will start giving good results from November 2018.

From May to November, Scorpio Moon Sign businesspersons will be very restless, overconfident and aggressive. This surge in energy could motivate them to take huge financial loans and to take some decisions which could be very risky. Luck will support them till October but such follies could harm their businesses in the years to come.

In the last four months of 2018, Scorpio Moon Sign businesspersons will form new alliances and collaborations with business houses or persons from other cities or nations. Such partnerships should be well planned with the sharing of the costs and the profits being well defined and put down on paper.

EDUCATION: Education prospects for 2018 for Scorpio or Vrishchik moon sign born people:

2018 will be difficult year for most Vrishchik Rashi students. Health issues, shortage of money, legal hassles and student politics could be some of the factors which will hinder the progress in education for Scorpio Moon Sign students in the first nine months of 2018. But, those Vrishchik Rashi students who are studying subjects related to accountancy, dance, music, foreign affairs, foreign languages, and nursing, will do well in their studies and examinations during the same period.

Only the last three months are favorable for all Scorpio Moon Sign students. If possible, Vrishchik Rashi students should plan to appear for important examinations or interviews in September, October and November 2018.

WEALTH: Wealth prospects for 2018 for Scorpio or Vrishchik moon sign born people:

Expenses will remain unusually high for Vrishchik Rashi people till October 2018. Most of these

expenses will be unnecessary and avoidable. Trying to maintain a high status in social or peer groups could be a big motivation behind such wasteful expenses. There could be some big losses of money in January, April, June and September 2018.

There will be no reasonable increase in income and savings till November 2018. After that, the income will increase but the expenses will not go down enough to enable saving some more money. It will be almost impossible to save money in 2018.

REAL ESTATE: Property related prospects for 2018 for Scorpio or Vrishchik moon sign born people:

Issues related to family property will be a headache for Vrishchik Rashi people in 2018. These issues will be solved only in November and December 2018. This year, Scorpio Moon Sign people will be more concerned with selling real estate than with purchasing it.

For selling or buying residential property February, March, August and October are suitable months. For deals related to commercial property April, May, September and December are favorable months. In 2018, Scorpio Moon Sign people can invest in real estate in foreign nations too.

In the last four months of 2018 Scorpio Moon Sign people could spend large amounts of money on construction of a house or on renovations or interior decorations.

VEHICLE: Prospects related to vehicles for 2018 for Scorpio or Vrishchik moon sign born people:

Scorpio Moon Sign people can buy both used and new vehicles in 2018. For buying vehicles for personal use February, March, May and July 2018 are beneficial months. For commercial vehicles March, April, June and July 2018 are suitable months. No deals related to vehicles should be done in January, August and November 2018.

Vrishchik Rashi people should drive carefully in March and April 2018. The combination of Saturn and Mars in these two months creates highly negative yogas which can cause vehicular mishaps. In other months of 2018 too, due to a powerful transit of Mars, Scorpio Moon Sign people will be highly accident prone. It is better not to be too confident and aggressive when driving.

LOVE: Love and Romance prospects for 2018 for Scorpio or Vrishchik moon sign born people:

Money power and eagerness to spend money will dictate the success of love life for Vrishchik Rashi people in 2018. Scorpio Moon Sign people will try to court the beloved and to win hearts by being unusually generous this year. In the initial two months of 2018 this may not work so

well but as the year progresses the efforts will start paying off.

In March, a love affair with a fellow student or a co-worker may take roots. This month has favorable yogas for starting a new love affair. For other Vrishchik Rashi people too who are already in committed relationships March 2018 will be a month full of many heart warming and enjoyable moments.

In the last four months of 2018, Scorpio Moon Sign people will go all out to prove that they give no importance to money before love. This could cause unreasonably high expense for them. Some Vrishchik Rashi people will come in touch with suitable romantic partners from distant cities or other nations. Many a long distance relationships could begin in September, October, November and December 2018.

MARRIAGE: Marriage prospects for 2018 for Scorpio or Vrishchik moon sign born people:

Only the last three months of 2018, October, November and December, are favorable for Vrishchik Rashi people for getting married. All plans for getting married anytime earlier in 2018 will be delayed somehow. Scorpio Moon Sign people are therefore advised to make plans for engagements or marriage in the last three months of 2018 to have smooth and enjoyable ceremonies.

In 2018 Scorpio Moon Sign singles could get married to people from distant cities or nations. Some Vrishchik Rashi people could relocate to other nations to be with their spouses, most likely in September, October and November 2018. In some cases, the spouses of Vrishchik Rashi people will move to distant cities or other nations for short term for work.

In those marriages of Scorpio Moon Sign people where mutual relations have turned bad 2018 could be spent in legal battles and proceedings related to divorce. Vrishchik Rashi people stand to lose money and assets in such proceedings in 2018.

FAMILY: Prospects related to family and relatives for 2018 for Scorpio or Vrishchik moon sign born people:

Vrishchik Rashi people could be involved in family dispute regarding property and other assets in 2018. As their own expenses will be quite high in 2018 they could be motivated to seek some financial aid from their parents or a share in the family assets. Both these intentions will not be seen in a good light by their family members and relatives.

The health of the parents will be good this year and the relations with them will be much improved than what they were in last two years. The siblings may not be as supportive as the parents but they will need time to time help and support from Scorpio Moon Sign people in 2018.

The children of Vrishchik Rashi people will be constantly in trouble in 2018. These troubles could be financial problems or illnesses. Their performances in their studies and work will not be satisfactory in 2018. The eldest of the children of Scorpio Moon Sign people could move to other cities or nations this year.

TRAVEL: Travel prospects for 2018 for Scorpio or Vrishchik moon sign born people:

Unplanned, frequent but meaningful journeys will happen for Vrishchik Rashi people in 2018. The expenses incurred during the travels will be quite high this year, but the journeys will be memorable and useful. The Scorpio Moon Sign people will create useful business contacts and will even earn substantial amounts of money through their journeys in 2018.

Looking at the transits of planets in 2018, most travelling for Vrishchik Rashi people will happen from May to October 2018. During this period Scorpio Moon Sign people will travel at the slightest opportunity as the eagerness to move and travel will overcome them. In 2018, Vrishchik Rashi people are advised to avoid important and long distance travels in January, April, June and September. All other months of 2018 are good for both work and pleasure related travels.

Those Vrishchik Rashi people who want to work or study abroad must try their best in 2018 to achieve this aim. This year is a really favorable for going abroad for long periods.

REMEDIES: Jyotish remedies for 2018 for Scorpio or Vrishchik moon sign born people:

Scorpio Moon Sign people must not use Yellow in their garments and belongings till October 2018. But, they can freely wear and use Yellow in November and December 2018. They should dark Blue and Purple too sparingly. The best colours for them in 2018 are Red, Pink, White and Brown.

Vrishchik Rashi people can donate Green articles to the needy in 2018. If their health permits they should keep fasts on Wednesdays till September this year.

Red corals and Rubies are recommended for Vrishchik Rashi people in gem therapy in 2018. These two gemstones will give them benefits related to health, profession and general good luck.
