There will high stress related to work and business in 2019. Virgo Moon Sign people will also experience great anxieties about the health and welfare of parents. This is a good year for getting married. Love life will be adventurous. Income will be good and savings will increase. There will be frequent travels for both personal and professional reasons.

HEALTH: Health prospects for 2019 for Virgo or Kanya moon sign born people:

The main areas of health where Kanya Rashi people should take care are related to heart, lungs, brain, joints and bones. Those Virgo Moon Sign people who are susceptible to heart diseases or are already suffering from them could experience a substantial increase in their maladies in 2019, mainly from March onwards. Some such Kanya Rashi people may also undergo heart related surgeries in 2019.

In 2019, the difficult months with regards to health are February, March, May, July, August and September. The likelihood of undergoing surgeries is high in February, March and May 2019. In these three months there are also high chances of being injured through accidents or other incidents.

JOB: Job prospects for 2019 for Virgo or Kanya moon sign born people:

From March 2019 the job scenario is getting very tricky for Kanya Rashi employees. The stress related to work will rise, the job satisfaction will reduce and the relations with the bosses could be sweet and sour. It will be a strange situation where one wants to leave the job for a better one but despite all efforts is not able to do so, while the work conditions in the existing job becomes very stressful.

A practical solution to this problem is to stick to the existing job but not to work too hard to give

a better performance and to please the seniors. It is advisable for Virgo Moon Sign employees to lay low this year and to do only what is required, nothing more nothing less. The more relaxed they will be while working the more benefits they will receive.

But, despite the stress, Kanya Rashi employees will get good salary increments and will be given responsible and higher positions in their jobs in 2019. But, all that will happen when they are least expecting it to happen.

BUSINESS: Business prospects for 2019 for Virgo or Kanya moon sign born people:

In 2019, Virgo Moon Sign entrepreneurs' primary drive will be to improve and expand the business. This drive will be so powerful that they will start experimenting with even most impractical of ideas. This will increase frustrations and, as a result, lot of restlessness and dissatisfaction about business. Trying to expand business and to diversify to new areas of business could harm the smooth functioning of their existing businesses.

But, if Kanya Rashi businesspersons are wise and not too ambitious then this year 2019 will give them surprisingly good progress in their enterprises. The revenues will rise and they will be able to control the business costs to the desired levels. And, the business will expand too but at its own slow but steady pace. Most Virgo Moon Sign entrepreneurs could relocate their businesses to new places or premises in 2019.

This year is good for creating business collaborations and partnerships. Some of the business understandings will undergo slight modifications in November and December 2019. The favorable months for taking important decisions in business in 2019 are May, June, September and October.

EDUCATION: Education prospects for 2019 for Virgo or Kanya moon sign born people:

This year Kanya Rashi students will do well in their studies and will perform well in most of the important examinations too. But, for some Virgo Moon Sign students there could be a change in their paths of education this year. They could decide either to end their studies and to give it a break of a few years or to switch to totally different subjects and different courses. Such changes are very likely to happen in March, April or June 2019.

Those Kanya Rashi students who want to study in educational institutions in distant cities or in other nations should wait till March 2020. There are very less chances of studying away from home in 2019. The students of cardiology, architecture, engineering, psychology and robotic will benefit more by the favorable transits of planets in 2019.

WEALTH: Wealth prospects for 2019 for Virgo or Kanya moon sign born people:

The worries about income and savings will reduce in 2019. Virgo Moon Sign people will earn

well from their work and redemption of past investments this year. The expenses will be considerably lower than the last few years. This will give more satisfaction about the money earned and saved.

The main part of expenses of Kanya Rashi people in 2019 will be on work and travels. They will be able to save more money from April onwards. April, May, June and September are favorable months for investing money in stocks and bonds. They should keep more money in bank deposits so that it is readily available if such a need arises.

REAL ESTATE: Property related prospects for 2019 for Virgo or Kanya moon sign born people:

It is advisable for Virgo Moon Sign people to wait till November 2019 for buying residential real estate. But, from March onwards, it is favorable time to sell real estate, both residential and commercial. The purchase of commercial properties by Kanya Rashi people in 2019 could be tricky and stressful affairs. They should not be too selective about such properties and must keep their ambitions and expectations low when looking for commercially viable properties.

From April 2019 there may be recurring expenses and repairs on the residences of Virgo Moon Sign people forcing them to think about relocating to new residences. The best time to shift to new home is in November and December 2019.

VEHICLE: Prospects related to vehicles for 2019 for Virgo or Kanya moon sign born people:

Virgo Moon Sign people will be content to buy the personal vehicles which are not too fancy and fulfill the basic criteria of a vehicle. But, in case of commercial vehicles they could end up buying expensive and difficult to maintain vehicles. The best time to buy new vehicles in 2019 is in February, April, June and October.

There are very high chances of serious vehicular mishaps in 2019. Kanya Rashi people should be very alert about the safety of their vehicles and about themselves when driving or parking their vehicles. The highest threat of mishaps is in March, May, July, August and October 2019. This year Kanya Rashi people should not drive or buy vehicles which are Black, Gray and Red in colour.

LOVE: Love and Romance prospects for 2019 for Virgo or Kanya moon sign born people:

Virgo Moon Sign people will be highly inclined to seek thrill and adventure in love, in 2019. They will be aggressive, demanding, adventurous and impatient in their love relationships. Due to favorable transit of Jupiter most Kanya Rashi people will find love easily in 2019. And, by showing a little dedication and patience they will be able to stay in the relationships for long time.

The aggression and impatience in pursuit of love could be detrimental for their love relationships. It is advisable to release the aggression by going with the romantic partners on enjoyable travels and by taking part in adventurous activities and sports.

MARRIAGE: Marriage prospects for 2019 for Virgo or Kanya moon sign born people:

2019 is an auspicious year for getting married or for getting engaged. The favorable months for Virgo Moon Sign people for these purposes are January, March, April and October 2019. In no case the marriage ceremonies should be organized in February, May, July and August 2019.

But, for the Kanya Rashi people who are going through tumultuous times in their marriages 2019 is a really tough year. The conflicts in married life will increase this year to great extremes. Aggression and intolerance will be high from both sides. And, in the last two months of 2019 the relationships could finally end resulting in separation or divorce.

Virgo Moon Sign married people are advised to stay devoted in their marital relationships and not to be tantalized by cheap thrills of extra marital affairs. The spirit of adventure in their heart will be too high this year and it can motivate them to experiment with their prowess to seduce and attract people. They will not be able to keep their activities a secret this year and the end result will be quite calamitous for them.

FAMILY: Prospects related to family and relatives for 2019 for Virgo or Kanya moon sign born people:

2019 is a bad year for the health and welfare of the parents of Virgo Moon Sign people. The situation will become more serious from March onwards. At the same time, the relationship with the parents will not be amicable as the expectations from both sides will be unusually high in 2019.

The siblings of Kanya Rashi people will be quite supportive this year but their interference in the personal lives of Virgo Moon Sign people could cause some conflicts. The children and other dependants will do well this year in their respective fields of study and work. One of the children could be forced to stay at home for longer than usual period in 2019.

TRAVEL: Travel prospects for 2019 for Virgo or Kanya moon sign born people:

2019 is a favorable year for going on both short and long distance travels for Virgo Moon Sign people. It is a good year for travels for work, pleasure, family affairs and for pilgrimages. Most Kanya Rashi people will fulfill their long pending desires to go on their dream holidays in 2019.

For the young Virgo Moon Sign people this year 2019 will see them traveling frequently motivated by matters of love than for work or simple pleasure. The year 2019 is also good for going on trips for adventure sports.
