

Cancer - Karka - Moon Sign - 2021 - Jyotish Forecast.

Most Cancer Moon Sign people will experience good health in 2021 if they focus a little more on their food and lifestyle. 2021 is a good year for academic pursuits. Many Karka Rashi singles will get married this year. Both Job and business will get better this year. Income will be good but expenses too will remain high creating a constant desire for more money. 2021 is not a good year for buying new vehicles. There will be many useful and long distance travels.

HEALTH: Health prospects for 2021 for Cancer or Karka moon sign born people:

Lower Back pain and, problems related to spine, knees and other joints can trouble Cancer Moon Sign people in 2021. The other health issues about which the Karka Rashi people should be careful in 2021 are high blood sugar, hypertension, high cholesterol and liver related disorders. They should be more alert about health in June, July and November 2021. In these months there are high chances of sustaining injuries too.

But those Cancer Moon Sign people who are alert about health and who have developed a routine of exercises and have a healthy lifestyle, 2021 will be a very fruitful year will be able to be healthier and stronger than ever before. The transit of Saturn in Capricorn demands a lot of self-discipline and those who are disciplined will be blessed by good health by Saturn.

JOB: Job prospects for 2021 for Cancer or Karka moon sign born people:

In 2021, the performance of Cancer Moon Sign employees in their work will be directly influenced by the performance and aptitude of their bosses or the main employers. In the first three months of 2021, this dependency will be very much visible and this can create some stressful situation for Karka Rashi employees. In January and February 2021 the progress in work will be good but from March onwards things can start to go wrong without any valid reasons. From March to June is the time when Cancer Moon Sign employees have to be very patient and tolerant in their workplaces.

Cancer Moon Sign employees may have to deal with bosses and juniors who are either much older or much younger than them, in 2021. They have good chances of being promoted in

January, February, November and December 2021 but the increase in salary and other perks will not be as desired. This can make the rise in position not a very happy affair for the Karka Rashi employees.

BUSINESS: Business prospects for 2021 for Cancer or Karka moon sign born people:

Cancer Moon Sign entrepreneurs should not create any new business partnerships or collaborations in January, February, March, September and October 2021. But, the other months of 2021 are favorable for forming new and powerful business alliances. For those who are in individual businesses and are not dependent on any kind of partnerships, January, February, October and November 2021 will bring positive changes and good business opportunities.

The business will grow well and the profits will be high this year. But, from April onwards the costs in business will start rising. But, that is also the time for putting in more money into the businesses. But, such investments must be done after studying all requirements. Nothing should be done only to show off the success in business to the world. April onwards is also the time when Karka Rashi businesspersons should give more attention to the safety and security of their businesses, business assets, workers and premises.

EDUCATION: Education prospects for 2021 for Cancer or Karka moon sign born people:

Most Karka Rashi students will experience smooth and positive progress in their studies in 2021. Most of the difficulties which they are expecting will surprisingly vanish at the last moment and timely help and solutions will be there for them in much unexpected ways. But, some Cancer Moon Sign students will change their existing courses of studies for subjects which are more interesting, less bothersome and which are quite different than their existing subjects.

The best months for appearing for important examinations in 2021 are January, February, September, October and December 2021. March, April, May, June and July are not that good for important examinations. So, if possible, the Cancer Moon Sign students should try to schedule appearing for crucial exams in the above mentioned favorable months only.

2021 is more favorable for Cancer Moon Sign students of gynecology, psychology, philosophy, dermatology, criminology, engineering, architecture and surgery, though it will be a beneficial year for Karka Rashi students of almost all subjects.

WEALTH: Wealth prospects for 2021 for Cancer or Karka moon sign born people:

Cancer Moon Sign people will feel more need for money than they did ever before in 2021. This increase in desire to have more money will be coupled by an increase in income too. The monetary gains in 2021 will be mostly unexpected and will happen in quite unplanned ways. This will create a hunger for money which will not be quenched despite earning more than the

previous few years in 2021.

The expenses too of Karka Rashi people will remain high in 2021, mainly from April to September 2021. Most of their expenses will be related to purchase or renovation of house, purchase of vehicle and for travels. They will also spend heavily on elevating or maintaining the social status. Cancer Moon Sign people should be careful about money and should save more than they spend, in 2021.

For Karka Rashi people, 2021 is not a favorable year for investing in bullion, collector's items or in short term investments in stocks. But, they should focus on investing for long term in stocks, bonds and also in real estate.

REAL ESTATE: Property related prospects for 2021 for Cancer or Karka moon sign born people:

Some good opportunities to invest in real estate will be there before Cancer Moon Sign people in May, July, September and December 2021. These months are favorable for buying both residential and commercial properties. When looking for good real estate the Karka Rashi people should not take too much time to decide. In 2021, they should trust the gut feeling and buy the properties which seem good at first sight. They should not go by the opinions of their friends and acquaintances but should believe their own judgment and instinct.

For entering new homes, May, September, October and December 2021 are auspicious months for Karka Rashi people. But, this year, the Cancer Moon Sign people should control their expenses when doing renovations or remodeling of their properties. Unplanned or uncontrolled expenses related to real estate in 2021 can cause big headaches like a steep rise of debt and unexpected legal hassles.

VEHICLE: Prospects related to vehicles for 2021 for Cancer or Karka moon sign born people:

No vehicles should be bought by Cancer Moon Sign people in January, February, March and April 2021. Any vehicles, new or old, bought in these four months will give more troubles than pleasure. The best months for Karka Rashi people for buying vehicles for personal use are May, June, September and October 2021. For acquiring vehicles for commercial purposes September, October and December are best months in 2021. In 2021, Karka Rashi people should not buy vehicles which are of Black, Gray or Green colours. The most suitable colours of vehicles for them in 2021 are White, Silver and Red.

In January, February, June and July 2021 Cancer Moon Sign people should take more care of their vehicles, get the repairs and servicing done in time and should drive more carefully too. There are high chances of vehicle related troubles, mishaps and accidents in these months.

LOVE: Love and Romance prospects for 2021 for Cancer or Karka moon sign born people:

Trust, love, understanding and meaningfulness will make the love life very satisfactory for the Cancer Moon Sign people, in 2021. Many Karka Rashi people will develop long distance and platonic relationships this year. Their relationships will be with people of all ages. Their emotional relationships will not be limited by the usual differentiations of colour, money, beauty and age.

In January and February 2021, Cancer Moon Sign people could face testing times in their love relationships. A lot of patience and understanding will be required to go through these trials of trust and devotion. That is also the time when the Karka Rashi people will start connecting spiritually with their partners in love. They will be ready to sacrifice all for the sake of love and trust in their relationships, and for doing something good for their romantic partners.

MARRIAGE: Marriage prospects for 2021 for Cancer or Karka moon sign born people:

2021 is a very auspicious year for getting engaged or married, for Cancer Moon Sign people. 2020 too was good for getting married and those Karka Rashi people who could not get married in 2020 will definitely get married in 2021. The best months for Cancer Moon Sign singles for getting engaged or married are May, June, September, October and December 2021. The months in which no marriage or engagement related ceremonies and functions should be performed are January, February, March, April and August 2021.

For those Karka Rashi people who are married but are facing problems in their marriages the first three months of 2021 can be decisive. These three months will decide whether their marriages will survive or not. In June and July too, some serious conflicts can arise in the married life, for Cancer Moon Sign people. They are advised to be very careful and patient in these two months. Most Karka Rashi married people will experience much happiness and meaningfulness in their marital relations in 2021.

FAMILY: Prospects related to family and relatives for 2021 for Cancer or Karka moon sign born people:

In 2021, Cancer Moon Sign people could face some worries and anxieties regarding the health and welfare of their siblings, close relatives and members of extended family. The children and other dependents of Karka Rashi people will give some reasons of worries for short term periods quite a few times in 2021 but these issues will be resolved quite soon by the Cancer Moon Sign people.

The relations with the parents will improve and the health of the parents too will be more or less under control in 2021. In May, June and December 2021, Karka Rashi people will get closer to their in-laws and there could be some unexpected gains too through such warming up of relations.

TRAVEL: Travel prospects for 2021 for Cancer or Karka moon sign born people:

There will many long distance and useful travels for Cancer Moon Sign people in 2021. In the first three months of 2021 those Karka Rashi people who are eager to work and stay abroad will get chances to do so. The Karka Rashi people will travel with their close ones or with spouse during these three months. But, these three months are also a time to be cautious about health and safety of personal belongings when travelling. From April onwards, the Cancer Moon Sign people will travel more for holidays, pleasure or for religious or spiritual purposes and less for work.

The most comfortable months for Karka Rashi people with regards to travel in 2021 are May, June, September and October. The worst and most uncomfortable months for travelling this year, for Cancer Moon Sign people, are January, February, August and November 2021. Love and plans related to marriage will also influence the travels of many Karka Rashi people in 2021.

REMEDIES: Jyotish remedies for 2021 for Cancer or Karka moon sign born people:

In 2021, Karka Rashi people should avoid Gray, Yellow and Black colours in their garments, vehicle, personal spaces and things of day to day use. Instead, they should use things which are of White, Red, Pink and Brown colours.

The beneficial gemstone for Cancer Moon Sign people in 2021 are Vermillion or Red corals as gemstones for Mars, and, Pearls and Moonstones as gemstones for Moon. The best months for wearing coral for Mars are January, February, November and December 2021. This is not a favorable year for Karka Rashi people for wearing gemstones for Jupiter.
