Serious health precautions will be needed by Simha Rashi people in 2021. They will face high levels of stress, disappointments and unpredictable challenges in their jobs and businesses. Income will increase but the expenses and losses can become uncontrollable. Love life will be controversial and disappointing. Difficulties in education will persist. Investment in real estate should not be done in partnerships.

HEALTH: Health prospects for 2021 for Leo or Simha moon sign born people:

The health of Leo Moon Sign people will require more attention in 2021 too but if they are careful and disciplined about their food habits then they can avoid most of the health issues this year. Some ailments which can trouble the Simha Rashi people in all months of 2021 are cardiac problems, respiratory ailments, arthritis, kidney troubles and diseases of the genitals and lower intestines. Added to these health issues, disorders related to liver, blood sugar and cholesterol can also trouble Leo Moon Sign people in January, February, March, September, October and November 2021.

The months of 2021 which can be very difficult for Simha Rashi people in terms of bad health are January, February, March, June and July 2021. In March the cardiac troubles and hypertension related issues can trouble them. In June and July 2021 the chances of injuries, accidents and serious loss of blood too are very high. In short, Leo Moon Sign people should be more than ever before careful about their health in 2021.

JOB: Job prospects for 2021 for Leo or Simha moon sign born people:

2021 will be a stressful year full of uncertainties and worries related to job for Leo Moon Sign employees. From the beginning of this year the problems in job will start increasing and the behaviour of co-workers and the bosses too will become very unpredictable. The harder the Simha Rashi employees try to improve the situation in job the more complex and stressful it will become. There are high chances of job loss or an increase in the burden of work or loss of support from the bosses. This will reduce the chances of promotions and no appreciation for even genuinely good work done will be received by the Leo Moon Sign employees.

This year the most difficult months regarding job for Simha Rashi employees are January, February, March, April, June and July 2021. The Leo Moon Sign employees should be more

patient, perseverant and calm in 2021 and they should not try to change jobs in a hurry however attractive such opportunities to change jobs may be. There will be much relief in the job stress by August 2021; still the Simha Rashi employees should be careful and patient throughout this year 2021.

BUSINESS: Business prospects for 2021 for Leo or Simha moon sign born people:

In 2021, the Leo Moon Sign businesspersons will become very ambitious and even reckless too in their eagerness to expand and diversify their businesses. Simha Rashi entrepreneurs will succeed to some extent in these endeavors but they will also end up biting more than they can chew. Multitasking and distribution of capital and resources will have a negative impact on their ambitious plans for business growth. By the end of this year 2021 they could end up frustrated, stuck and under a lot of debt if the Leo Moon Sign entrepreneurs are not careful enough.

This year their business costs will increase substantially and their business loans too will rise steeply. The chances of losses in business are very high in January, February, March, September and October 2021. In these months there can be legal hassles and problems related to business partnerships too. In fact, 2021 is not good for Leo Moon Sign businesspersons for creating new partnerships or joint ventures. This year only those Simha Rashi entrepreneurs who are in businesses related to accounting, banking, finance, insurance, medicine, media, recruitment and public relations will have reasonable success in their ventures. For most Leo Moon Sign businesspersons 2021 will be a very difficult year.

EDUCATION: Education prospects for 2021 for Leo or Simha moon sign born people:

In 2021, the Leo Moon Sign students of medicine, banking, accountancy, public relations, gynecology, psychology, law, education and political science will have better progress in their studies as compared to the Simha Rashi students of other subjects. But, for all Leo Moon Sign students some months in 2021 can be full of obstacles, stress and delays in academic pursuits. These months are January, February, March, June, July, September and October 2021. The reasons for hindrances in studies in these months can be bad health, legal problems and lack of funds.

Some months in 2021 are favorable for appearing for important examinations and for applying for admissions to good educational institutions. Such beneficial months are May, August and December 2021. In 2021, Simha Rashi students should abstain from bad habits and should stay away from the company of bad people. In these months the Leo Moon Sign people could be involved in serious legal troubles too which will be directly or indirectly linked to their love affairs.

MARRIAGE: Marriage prospects for 2021 for Leo or Simha moon sign born people:

2021 is again a bad year for marital life of Leo Moon Sign people. The conflicts in marriage will increase further in January, February, March, October and November 2021 and the main intensity of the situation will be in January and February 2021. Several such Simha Rashi people who are going through bad marriages could decide to finally separate from their spouses or could file for divorce in the first half of 2021 itself.

For other Leo Moon Sign married people too, the health and behaviour of their spouses will be a major cause of worries and stress in 2021. Simha Rashi people are advised to stay very patient, calm and optimistic with regards to their marriages in 2021. Most of the conflicts in marriage will arise from their own lack of patience.

FAMILY: Prospects related to family and relatives for 2021 for Leo or Simha moon sign born people:

2021 will be a difficult year for the health of the parents and the parents-in-law of the Leo Moon Sign people. Time and again, in this year, the concerns about their health will increase and throughout the year the parents will require constant care and attention. At the same time, there can be extremes in relations with the parents and parents-in-law, ranging from deep love and trust to serious complaints, frustrations and distrust.

With their siblings, the Simha Rashi people will have not so good relations in the first half of

2021 but the relations will improve a lot after August 2021. The children and other dependents of Leo Moon Sign people can also cause worries and headaches by their irresponsible behaviour. One of the children could suffer from a recurring and persistent illness this year.

TRAVEL: Travel prospects for 2021 for Leo or Simha moon sign born people:

Leo Moon Sign people can travel far and wide in 2021 but with adequate health precautions and only after ensuring that they have proper funds for the travels. For health and finances reasons the first three months of 2021 are not good for Simha Rashi people for going on important travels. In fact, they should avoid all long distance and long term journeys in these three months. April is a better month comparatively but they will be really prepared for stress-free travels in all ways only by the beginning of May 2021. The most favorable months of 2021 for Leo Moon Sign people for going on travels are May, August, September, October and November 2021.

January, February, June and July 2021 can be really harassing for them in terms of bad health, loss of money, flight delays and legal problems during their travels. When travelling in 2021 Simha Rashi people should not experiment with different kinds of foods or drinks. They should also stay away from people of shady behaviour and who indulge in irresponsible acts and behaviour. The chances of being conned, robbed and scammed by such people are very high in 2021. Simha Rashi people could also get into serious legal problems in foreign lands in 2021.
