

Libra - Tula - Moon Sign - 2021 - Jyotish Forecast.

Health should be given the first priority in 2021. After initial difficulties the job and business will progress very well. More focus and less distraction are required in academics. Income, savings and wealth will increase satisfactorily. This is a good year to buy property. Love will be lost and found in several love-hate relationships in 2021. This is not a good year to get married. Family relations will be more well-defined but with the in-laws the relations will be sour and sweet.

HEALTH: Health prospects for 2021 for Libra or Tula moon sign born people:

2021 is a difficult year for the health of Libra Moon Sign people. The highest threat to their health is in January, February, March, June and July 2021. In these months, serious health problems related to heart, blood pressure, liver, blood sugar or kidneys can occur. In January and February 2021 even general weakness and exhaustion can convert into serious ailments. Tula Rashi people should be very careful about health in 2021.

They should watch what they eat and drink and should not overindulge themselves in any harmful habit or activity. Allergies, food poisoning and harmful side effects of medicines are also possible in 2021. In March, April, June and July 2021 Tula Rashi people will be more prone to injuries and accidents. This threat is higher in March and April 2021. Surgeries, cuts, bruises causing good amount of loss of blood is possible in these two months.

JOB: Job prospects for 2021 for Libra or Tula moon sign born people:

In January, February and March 2021, those Libra Moon Sign employees who are in good jobs could face a lot of troubles in their work. A few such Tula Rashi employees can lose their jobs too during these three months. But, in these three months those Libra Moon Sign employees who have been out of job in the second half of 2020 are very likely to find new, stable and reasonably well-paying jobs. From April 2021, the situation will be much better for most Tula Rashi employees and in the second half of 2021 they will have a good increase in their salaries and other perks.

There can be some bad incidents, conflicts and misunderstandings with the co-workers and seniors in June and July 2021. Tula Rashi employees are advised to stay patient and to avoid all confrontations. It is very likely that such problems will be connected to a co-worker or a boss of opposite sex. It is advisable to not to mix work and personal life in 2021.

BUSINESS: Business prospects for 2021 for Libra or Tula moon sign born people:

2021 will be a good year for Libra Moon Sign businesspersons. In the initial three months of this year there will be some difficulties, delays, legal hassles and losses but from May 2021 onwards the Tula Rashi entrepreneurs will experience good progress in most of their ventures. January and February 2021 will bring a few offers for business partnerships and joint ventures but the Tula Rashi businesspersons should not ink any such deals before the third week of April 2021.

Tula Rashi entrepreneurs having businesses involving heavy machinery; having more manual workers; manufacturing wood, metal or leather products; and, related to mines, minerals and ores; will experience exceptional success in their enterprises in 2021. But, in March, April, June and July 2021 there are high chances of industrial accidents, labour unrest and serious malfunction of machinery. Libra Moon Sign businesspersons should be alert regarding these possibilities in these above mentioned months in 2021.

EDUCATION: Education prospects for 2021 for Libra or Tula moon sign born people:

In 2021, Libra Moon Sign students should focus more on their studies and less on other activities like sports, travels and parties. Their regular progress of studies can be harmed due to irresponsible activities and through the company of bad people. This has more chances of happening in January, February, March, October and November 2021. So, during these months Tula Rashi students should be more aware and particular about the kind of people they are associating with.

These above mentioned months are unfavorable for appearing for important examinations. Instead, Libra Moon Sign students should try to sit for crucial tests in April, May, September or December 2021. Throughout 2021 the Tula Rashi students should take more care of their health and expenses because bad health and lack of funds can be other possible causes for disruption of regular studies.

In 2021, Libra Moon Sign students of mechanical engineering, cardiology, medicine, architecture, construction and film-making will have more success in their academic pursuits than the Tula Rashi students of other subjects. 2021 is also a favorable year for Libra Moon Sign students for getting admission in elite educational institutions.

WEALTH: Wealth prospects for 2021 for Libra or Tula moon sign born people:

The earnings of Libra Moon Sign people will increase after April 2021 but till then there will be

cash crunch felt by them to some extent. From May 2021 the financial situation will begin to stabilize and the Tula Rashi people will be able to save and invest money well in the latter half of 2021. In the first four months of 2021 the Libra Moon Sign people could be forced to sell of some assets like property, vehicle or stocks to have more money in hand. They could also take loans from their parents or siblings.

In 2021, the expenses of the Tula Rashi people will be high, more so in the first three months. But, they will invest wisely in stocks, bonds and other good investment options. Their investments and savings done in the past too will give them good returns in 2021. By the end of this year the Libra Moon Sign people will be quite satisfied by the way they have managed their investments, wealth and assets in 2021. This year, Tula Rashi people are very likely to gain wealth through inheritance, sale or distribution of family wealth and other assets. This has more chances of happening in May, September or October 2021.

REAL ESTATE: Property related prospects for 2021 for Libra or Tula moon sign born people:

Saturn in Capricorn brings good opportunities for Libra Moon Sign people for buying lucrative real estate in 2021. They can buy both residential and commercial properties this year. But, they should avoid all property related deals in January and February 2021. These two months are not auspicious for real estate deals and there are high chances of money getting stuck through such deals.

For buying residential properties through a housing loan or mortgage, March, April, September and October 2021 are favorable months for Tula Rashi people. But, if they want to buy the residential properties with a full one-time payment then June, July and December are favorable months for them. Many Tula Rashi people will opt for getting houses constructed according to their chosen designs this year, rather than buying a ready to move in house.

VEHICLE: Prospects related to vehicles for 2021 for Libra or Tula moon sign born people:

NO new or used vehicles should be bought by Libra Moon Sign people in the first four months of 2021. The combined effect of the debilitation of Jupiter and combustion of Venus will cause unnecessary troubles like bad deals, overpriced accessories and repairs or mishaps related to vehicles. It is better for Tula Rashi people to buy new vehicles in September, October or December 2021. These precautions are advisable in case of both kinds of vehicles, personal and commercial. In 2021, Tula Rashi people should avoid vehicles which are Yellow, Golden, Red, Gray and Black in colour.

In March, April, June and July 2021 the Libra Moon Sign people should drive their vehicles with full alertness and they should keep their vehicles well maintained too. There are high chances of vehicular accidents in these four months of 2021. In these months the Tula Rashi people should not lend their cars to others for driving. There can be legal troubles related to vehicles,

more so due to the fault of family members and friends.

LOVE: Love and Romance prospects for 2021 for Libra or Tula moon sign born people:

For Libra Moon Sign people, the love life in 2021 will be full of love-hate relationships. In the first two months of 2021 there will be great passion, energy and positivity in the love relationships of Tula Rashi people but all that could be reversed in March, April, June and July 2021 as feelings of doubts, anxieties and lack of trust will infest their hearts. A lot of patience and understanding will have to be shown by Libra Moon Sign people in these four months to keep their love relationships alive and healthy.

Those Tula Rashi singles who are looking for new romantic partners will find them in January, February, August or November 2021. The relationships formed in January and February are not likely to last long and could end by June and July 2021. But, the love affairs initiated in August or November will be long lasting and more satisfying too.

MARRIAGE: Marriage prospects for 2021 for Libra or Tula moon sign born people:

In 2021 not all Libra Moon Sign singles will be able to get married. The marriage plans of Tula Rashi people could change at the last minute. It is possible that the marriage plans of some Tula Rashi people could be delayed till 2022. But, those Tula Rashi singles who have Mars in Aquarius, Gemini, Leo or Libra will be able to get married in 2021. The favorable months in 2021 for Libra Moon Sign people for getting married are June, July, September, November and December 2021. No marriage ceremony or function should be organised in the first four months of 2021 as they are highly inauspicious for any marriage related ritual, ceremony or function.

For most Libra Moon Sign married people there can be unnecessary stress in marriage in 2021. This is more likely to happen in March, April, June, September and October. One of the major reasons for marital conflicts in 2021 will be the interactions of Libra Moon Sign people with the birth family of their spouses. In 2021, the Tula Rashi people should not be too expressive about their opinions and prejudices about their in-laws. It is better to remain silent than to speak out the mind about what they think about the family and relatives of their spouses.

FAMILY: Prospects related to family and relatives for 2021 for Libra or Tula moon sign born people:

2021 will bring in changes in relationships with family members and other relatives too, for Libra Moon Sign people. These changes will be decisive, final and well defined and they will either make the relationships better or will find end them. All such family ties which were becoming a burden will be ended by Tula Rashi people in 2021. Some decisions about family assets and properties are also possible in 2021.

The health of the parents of Libra Moon Sign people will be generally good in 2021 but the

health of their mothers can cause concerns in January, February, March and October 2021. The Siblings of Tula Rashi people will do better than before and there will be more amity and cooperation between the Libra Moon Sign people and their siblings in 2021. The children and other dependents of Tula Rashi people will perform exceptionally well in their studies, work and other activities. The Tula Rashi people will have more than usual interactions, regrets, complaints and demands with their in-laws. Their relations with their in-laws will be both sour and sweet in 2021.

TRAVEL: Travel prospects for 2021 for Libra or Tula moon sign born people:

In 2021, the Libra Moon Sign people should not travel long distance by driving their own vehicles in January, February, March, September and October. Instead, they should opt for public transport like trains, buses or flights to travel to distant cities in these months. All long distance travels should be avoided in January, February and March 2021. From April 2021 the Tula Rashi people can start travelling more frequently and the Tula Rashi people should plan their important journeys accordingly in 2021.

In 2021 the best months for Libra Moon Sign people for long distance travels, for both work and pleasure, are June, September, October and December 2021. August 2021 can be little uncomfortable and only the unavoidable journeys should be done in this month, that too after taking care of all health and safety precautions. This year, the Libra Moon Sign people will travel mostly for work, higher studies, pilgrimage and to be with family and relatives.

REMEDIES: Jyotish remedies for 2021 for Libra or Tula moon sign born people:

Yellow, Gray and Black colours are highly negative colours for Tula Rashi people in 2021. Instead, they should wear and use colours like Blue, Green, Violet, Purple, White and Pink in 2021.

Libra Moon Sign people should wear gemstones for Venus, Saturn and Mercury in 2021. For a gemstone for Venus, a White Sapphire or a Fire Opal, June, September and December 2021 are good months. For a gemstone for Saturn, like a Blue Sapphire or an Amethyst, May, June and October are very favorable months. For wearing Emeralds, gemstones for Mercury, June and October are auspicious months for Tula Rashi people.
